the misty lustre of the moon Suddenly the ancient continent disappeared washed out by a wave against the sky and with it vanished the last shreds of that accursed nightmare which had possessed her for four endless years But whether during those unreal years her soul had only been held in bondage or whether as she had been taught it had been irrevocably destroyed she still remained uncertain knowing nothing about the death of souls or how it was accomplished As she stood there her sad eyes fixed on the misty East a passenger passing an Englishwoman paused to say something kind to the young American and added if there is anything my husband and I can do it would give us much pleasure The girl had turned her head as though not comprehending The other woman hesitated
