

The background of the top half of the cover features a grid of binary code (0s and 1s) in a light orange color. Overlaid on this is a bright, glowing yellow and orange light source, possibly a sun or a keyhole, with rays emanating from it. A hand, rendered in a dark, almost black silhouette, is shown from the side, with the index finger pointing directly at the center of the light source, which is shaped like a keyhole.
