The Immortal Child:

The Immortal Child Jean Hudon, 1988 *The Immortal Child* Leslie Gordon Barnard, 1941 **Night Child** Lisa Kessler, 2014-04-28 A psychic gift Muriah La Deaux's latest job requires her to locate an ancient codex detailing a prophecy of an immortal birth. But before she can deliver it, her client is brutally murdered. Now a man with chaos in his eyes wants the codex she's hiding. An immortal child Issa is one of the original Night Walkers, a proud protector of the mortal world. Now when the survival of his entire race rests on protecting an unborn child, Issa is the only immortal strong enough to protect Muriah on a risky mission to locate the lost scrolls that will trap their foe, but his tenuous grasp on his sanity is slipping. The ultimate sacrifice Muriah's headstrong spirit awakens feelings in Issa that are best left buried. But as the battle between love and chaos ensues, sacrifices must be made. Each book in the Night series is a standalone full-length story that can be enjoyed out of order. Series Order: Book 1 Night Walker, Book 1.5 Night Thief, Book 2 Night Demon, Book 3 Night Child. *Heaven's Children* Shawna Bennett, 2021-08-10 Simon has taken on the task of saving the humans. With the help of his handpicked Immortals, he will try to create peace for all mankind. A world now exists where hunger and crime are a thing of the past, and yet the humans remain unsettled. The Alliance continues to sabotage his every effort. It has become clear that the humans do not trust the Immortals, and their sired Sawyer's family must step up to help Simon figure out once and for all if the humans can be saved. The clock is ticking, and something draws them closer to the conclusion. In their separate journeys, they discover a plot to destroy them all. The family must face enemies from both sides as it becomes clear that not all Immortals are there to help. They must face a plot that goes deeper than any of them could have imagined. A war is coming, and it will have devastating consequences that will ripple through their family for generations to come. When the dust finally settles, no one will ever be the same, especially Sawyer. *Children's Literature of the Harlem Renaissance* Katharine Capshaw, Katharine Capshaw Smith, 2006-08-16 This book explores the period's vigorous exchange about the nature and identity of Black childhood and uncovers the networks of African American philosophers, community activists, schoolteachers, and literary artists who worked together to transmit Black history and culture to the next generation. Jacket. *Radical Romanticism* Mark S. Cladis, 2025-09-16 Romanticism is often reduced to nostalgic pastoralism and solitary contemplation of the sublime. But a radical strand of Romantic writers and thinkers offered sweeping political, ecological, and religious critiques of capitalism, racism, settler colonialism, and environmental destruction. Interweaving canonical nineteenth-century authors with Black and Indigenous thinkers who transformed their work, this book is a bold new account of Romanticism for today's deeply entrenched crises. Mark S. Cladis examines the progressive, democratic, religious, and environmental beliefs and practices that informed European Romantic literature and its sustained legacies in North America. His interpretation interweaves diverse voices such as W. E. B. Du Bois, Zora Neale Hurston, and Leslie Marmon Silko, while also revealing the progressive visions of Romantic authors such as Rousseau, William and Dorothy Wordsworth, Coleridge, Mary Shelley, Thoreau, and Margaret Fuller.

Forging connections among literary and philosophical traditions while closely reading a wide range of texts Radical Romanticism shows how storytelling is central to the pursuit of justice and flourishing for the human and the more than human worlds Bringing together environmental humanities literary theory political theory and religious studies this book makes the case for a renewed radical Romanticism offering urgent resources for a world beset by catastrophe uncertainty and despair

A Child Is Being Killed Serge Leclaire, 1998 The powerful thesis of this book is that in order to achieve full selfhood we must all repeatedly and endlessly kill the phantasmatic image of ourselves instilled in us by our parents We must all combat what the author calls primary narcissism a projection of the child our parents wanted This idea that each of us carries as a burden an unconscious secret of our parents a hidden desire that we are made to live out but that we must kill in order to be born touches on some of the fundamental issues of psychoanalytic theory Around it the author builds an intricate analysis of the relation between primary narcissism and the death drive Each of the book's five chapters begins with one or more case studies drawn from the author's clinical experience as a psychoanalyst In these studies he links his central concern the image of the child created by the unconscious desire of the parents to other issues such as the question of love the concept of the subject and the death drive In the penultimate chapter on transference the author challenges the commonplace understanding of the analyst's impassivity What does such impassivity imply especially in the context of a transference love between a female patient and a male analyst In replying to this question the author forcefully reassesses the relation of psychoanalysis to femininity to the question What does a woman want Serge Leclaire's overarching thesis leads to a provocative rereading of the Oedipal configuration Leclaire suggests that he is inhabited pursued haunted and debilitated by the child who should have died in order that Oedipus might have been born into life
