The Bould Sojer Boy's Irish Comic Song Book: a Collection of New and Popular Songs, 1871 **The Broadway Musical: A Critical and Musical Survey** Joseph P. Swain, 2002-11-19 To see a Broadway musical is to experience how a drama using melody harmony and rhythm evokes the emotion needed to perpetuate a story line Without music many of these plays would not succeed failing to convey the intended message This new edition of Swain's classic text winner of the 1991 ASCAP Deems Taylor Award reveals how a musical drama achieves plot movement character development and conflict through strategic placement of song and music in 20 musical plays Unlike critical literature that has simply explored theatrical style and production histories this survey focuses mainly on the power of music Illustrated with more than 150 musical excerpts and essays Swain includes the latest research and viewpoints of contemporary critics offering insight into dramatic expression and how renowned composers including Jerome Kern George Gershwin Jerry Bock Stephen Sondheim and Andrew Lloyd Webber influenced the Broadway musical This provides insights into the many impressive musicals to hit the stage between the years of 1927 and 1987 illuminating how specific revisions to productions such as *Showboat* and *Oklahoma* forever changed their popularity Learn how music is used as a symbol for psychological or emotional action from Shakespearean drama's such as *Kiss Me Kate* and *West Side Story* to more current dramas including *Godspell* *A Chorus Line* and *Jesus Christ Superstar* Replete with a never seen before essay on *Les Misérables* this edition also includes an expanded epilogue highlighting the phenomena behind *Miss Saigon* and *Phantom of the Opera* megamusicals that changed the direction of the Broadway tradition For professors of dramatic arts and people interested in Broadway musicals theater popular music and opera

The Christian Professor in the Secular University Duane Victor Keilstrup, 2010-09 In this autobiography by Duane Victor Keilstrup he shares his memories of being a university professor and his religious journey as a Christian **Sex, Law, and Society in Late Imperial China** Matthew Harvey Sommer, 2000 This study of the regulation of sexuality in the Qing dynasty explores the social context for sexual behavior criminalized by the state showing how regulation shifted away from status to a new regime of gender that mandated a uniform standard of sexual morality and criminal liability for all people

regardless of their social status **A Song of Songs: Mary Magdalene Awakes** Jennifer Chapin, 2008-06-27 This is a novel about the return of Mary Magdalene at the end of time. It tells of her final incarnation as a young woman named Jenna who is born with a birthmark over her forehead shaped like the continent of Africa. Jenna is irreligious and tough and unhappily immersed in the corporate world. Unbidden she starts to have dreams and visions of a time with Christ and they become so real that she crosses through time to find herself weeping at his feet during the crucifixion. This is also a story about the Cathars in the Languedoc area of France. The Cathars embraced the idea of reincarnation. For this and for their belief in indirect revelation and a dualistic universe of good and evil they were destroyed by the Catholic Church in the 13th century. In the process their society was destroyed too as town after town was mercilessly razed by the crusaders and thousands put to death. Men, women, and children none were spared. This became known as the first western genocide of Christians against Christians. Because of the Cathars the Church gave birth to the Inquisition. The Cathars loved Mary Magdalene and believed that she was the beloved of Christ and the keeper of his teachings. Their story is interwoven with the Knights Templar who were embedded in the Languedoc and with Jenna's ongoing odyssey as she comes to full awareness of who she is. Ultimately this is a story about love that does not depend on time. It is also a warning about the end of time.

The British Melodist, Or National Song Book, Containing the Most Popular English, Scottish, and Irish Songs, with a Selection of More Than Four Hundred Choice Toasts and Sentiments, 1822 Georg Wickram's Rollwagenbüchlein from 1555 Albrecht

Classen, 2025-03-27 Since the invention of the printing press in ca. 1450 the early modern book market emerged and so also the phenomenon of the bestseller. The sixteenth century witnessed especially the rise of Schwankbücher books with jest narratives and one of the most influential examples was Georg Wickram's Rollwagenbüchlein 1555 a collection of facetious, exciting, horrifying, dramatic, foolish, and also didactic short prose tales reflecting on the ordinary lives of people primarily in the countryside and cities. Wickram drew from a range of literary sources and his work in turn became the inspiration for many other literary collections. Montanus, Kirchhof, Frey, etc. Although the Rollwagenbüchlein can easily be identified as one of the most influential sixteenth-century texts in the history of German literature it has never been translated into any other language. The current book offers a biographical and interpretive sketch, the translation into English, and an extensive scholarly apparatus with linguistic, historical, cultural, and literary explanations. *Beyond Horatio's Philosophy: The Fantasy of Peter S. Beagle* David Stevens, 2013-08-16 In *Beyond Horatio's Philosophy: The Fantasy of Peter S. Beagle* David Stevens examines the fantasy of American writer Peter S. Beagle. He finds a consistent view of the world and an almost overpowering sense of humor leading him to conclude that Beagle believes that love is the best thing we have and the only reason for living. His work will be read and enjoyed for generations to come and Stevens tells you why Beagle indulges in what Stevens terms metaphysical speculations: a working out of the possibilities of the world being different than it is. He invites the reader to examine these speculations with him and when we do to come away from the experience as better men and women believing

in the transforming power of love and laughing at ourselves in the process No writer could ask for more or succeed better Beagle would have us believe to paraphrase Shakespeare's Hamlet that there are more things in heaven and earth than are dreamt of in our philosophy Complete with bibliography and index Paratexts James Gunn, 2013-04-18 In the mid 1980s Easton Press began publishing a series of leather bound collector editions called Masterpieces of Science Fiction and Masterpieces of Fantasy which featured some of the most important works in these genres James Gunn was commissioned to write introductions to these works which allowed him to pay tribute to many authors who inspired and influenced his own work In Paratexts Introductions to Science Fiction and Fantasy Gunn has collected the most significant essays produced for the Easton series along with prefaces he wrote for reprints of his own novels Cited here are some of the most significant works of 19th and 20th century science fiction and fantasy such as The Island of Dr Moreau 1984 Stranger in a Strange Land A Clockwork Orange Speaker for the Dead The Postman Do Androids Dream of Electric Sheep The Hitchhiker's Guide to the Universe The Dead Zone The Mists of Avalon Dragon's Eye Nine Princes in Amber Blue Mars The Last Unicorn and The Lord of the Rings Drawing upon Gunn's lifetime of work in the field these introductions include analyses of the individual works and the fields in which they were written Gunn also briefly discusses each novel's significance in the science fiction canon Collected here for the first time these prefaces and introductions provide readers with insight into more than seventy novels making Paratexts a must read for science fiction and fantasy aficionados
