The Inspiration And Authority Of The Bible:

The Inspiration and Authority of the Bible Benjamin Breckinridge Warfield, 1948 This volume contains the principal articles by the late Benjamin Breckinridge Warfield having to do with the nature and authority of the Bible A distinctly biblical theologian fully abreast of the critical scholarship of the day and a foe of irrationalism in all its forms faith for him was conviction grounded on evidence it is not surprising that he devoted such exceptional attention to this theme Written from time to time and printed in various publications during his lifetime these articles were included in the volume *Revelation and Inspiration* published by the Oxford University Press subsequent to his death Foreword

The Inspiration and Authority of the Bible John Clifford, 1892 *Inspiration and Authority* Paul J. Achtemeier, 1999 In an evaluation of the Scriptures as the word of God inspiration is an essential element The long Protestant experience with this issue is both fruitful and painful for many have drawn false conclusions from the justified belief in inspiration Paul Achtemeier is a first rate scholar who combines scientific investigation with faith and his sensitivity and honesty make this a most useful book for all interested in the Bible A better practical book on the subject would be hard to find Raymond E Brown former Auburn Distinguished Professor Emeritus Union Theological Seminary New York if Achtemeier's book reaches that large body of Christians looking for a nonfundamentalistic doctrine of Scripture it could play a major role in creating a framework for them He comes across as possessing a deep love and respect for the Bible and for the Lord and eager for people to place their minds and lives beneath its authority He offers us in the end of the doctrine of a covenantal Scripture given by God to his people for their edification and renewal a dynamic document which can perform this service two thousand years after its completion confronting us with God's Word for our situation through the power of the Spirit I am highly grateful for this book and recommend it highly to others Clark H Pinnock Professor of Theology McMaster Divinity College

Biblical Inspiration and the Authority of Scripture Carlos R. Bovell, 2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible
