The Goddess of Cancer and Other Plays Gabriel Constans,2000-01-01 *Play-Full Life: Slowing Down & Seeking Peace* Jaco J. Hamman,2011-05-01 Finding balance for your personal spiritual and professional life can seem daunting A Play full Life Slowing Down and Seeking Peace explores the life giving power of play Through practices of solitude and hospitality creativity and quiet author Jaco J Hamman empowers Christians to sense the fullness of life and to seek peace **The Death of God and Other Plays** Colin Wilson,2008 *The Theater of Michel Vinaver* David Bradby,1993 The first book length study in English of contemporary French playwright Michel Vinaver The New Statesman ,1923 *God at Play* Daniel Soars,2025-07-01 The first comparative treatment of the topic of l l in Hindu and Christian traditions this volume explores what it means to consider divine and human action under the categories of play wit drama grace and compassion God at Play presents a theological exploration of the multifaceted motif of l l across diverse Hindu and Christian landscapes and its wide ranging connections to divine and human creativity Given its ubiquity in Hindu theologies and life forms l l offers a rich comparative framework for exploring certain ways of understanding divine and human action as expressed in Hindu and Christian sacred texts philosophical theology and ritual practices Though l l is often interpreted simply as play the essays in this volume reflect a far richer semantic and conceptual field ranging from spontaneity and gratuitousness through joy and humor to mercy and compassion By focusing on the different contexts in which l l is found in Hindu traditions and resisting any uniform translation of the term the contributors to this volume avoid the risk of using predominantly western or Christian categories to understand the Hindu other The volume thus explores how l l functions in a variety of distinctive philosophical theological and devotional ways across Hindu traditions and listens for echoes in Christian understandings of the gratuitousness of the created order in relation to God God at Play is a genuine experiment in deep learning across traditions Each chapter reflects on what is learned by taking l l as the category of comparison and invites the reader to think about what these conversations add confirm or change in relation to earlier twentieth century scholarship on play not least in terms of what difference it might make to understand human life as an imitation and a participation in the divine life of a playful deity *Edward Albee* Phyllis T.
