The Gangster Film Reader Alain Silver,James Ursini,2007-02 In the 1930s the gangster film in the United States coincided with a very real and very sensational gangsterism at large in American society Little Caesar 1931

The Public Enemy 1931 and Scarface 1932 borrowed liberally from the newspapers and books of the era. With the release of just these three motion pictures in barely more than a year's time, Hollywood quintessentially defined the genre. The characters, the situations, and the icons, from fast cars and tommy guns to fancy fedoras and fancier molls, established the audience expectations associated with the gangster film that remain in force to this day. As with their Film Noir Reader series, using both reprints of seminal articles and new pieces, editors Silver and Ursini have assembled a group of essays that presents an exhaustive overview of this still vital genre. Reprints of work by such well-known film historians as Robin Wood, Andrew Sarris, Carlos Clarens, Paul Schrader, and Stuart Kaminsky explore the evolution of the gangster film through the 1970s, and The Godfather Parts 2 and 3 comprise two dozen newer articles, most of them written expressly for this volume by Ursini and Silver. These case studies and thematic analyses, from White Heat to the remake of Scarface to The Sopranos, complete the anthology.

Chicago Hustle and Flow Geoff Harkness, 2014-09-01 On September 4, 2012, Joseph Coleman, an eighteen-year-old aspiring gangsta rapper, was gunned down in the Englewood neighborhood of Chicago. Police immediately began investigating the connections between Coleman's murder and an online war of words and music he was having with another Chicago rapper in a rival gang. In *Chicago Hustle and Flow*, Geoff Harkness points out how common this type of incident can be when rap groups form as extensions of gangs. Gangs and rap music, he argues, can be a deadly combination. Set in one of the largest underground music scenes in the nation, this book takes readers into the heart of gangsta rap culture in Chicago. From the electric buzz of nightclubs to the sights and sounds of bedroom recording studios, Harkness presents gripping accounts of the lives, beliefs, and ambitions of the gang members and rappers with whom he spent six years. A music genre obsessed with authenticity, gangsta rap promised those from crime-infested neighborhoods a ticket out of poverty. But while firsthand experiences with gangs and crime gave rappers a leg up, it also meant carrying weapons and traveling collectively for protection. Street gangs serve as a fan base and provide protection to rappers who bring in income and help to recruit for the gang. In examining this symbiotic relationship, *Chicago Hustle and Flow* ultimately illustrates how class stratification creates and maintains inequalities, even at the level of a local rap music scene.

The Consumption of Inequality K. Halnon, 2013-09-18 The fads, fashions, and media in popular consumer culture frequently make recreational and ideological fun of poverty and lower-class living. In this book, Halnon delineates how incarceration, segregation, stigmatization, cultural and social consecration, and carnivalization work in the production and consumption of inequality.

The Disturbing Profane Joseph R. Winters, 2025-07-04 Joseph R. Winters explores how hip-hop troubles notions of the sacred and the profane, arguing that it opens up its audience to a volatile notion of the sacred and the unruly qualities of Blackness.

The Complexity and Progression of Black Representation in Film and Television David L. Moody, 2016-06-02 *The Complexity and Progression of Black Representation in Film and Television* examines the intricacies of race representation. Black masculinity, sexuality, class, and color in American cinema and television. Black images on the silver screen date back to

the silent film era yet these films and television programs presented disturbing images of African American culture and regrettably many early films and small screen programs portrayed Black characters in demeaning and stereotypical roles In order to fully analyze the roles of Black actors and actresses in film and television Moody addresses the following issues the historical significance of the term race films female Black identities and constructs queerness and Black masculinity Black male identities and Black buffoonery in film and television **Roger Ebert's Movie Yearbook 2007** Roger
