The Hypocritical Oath:

The Hippocratic Oath Ludwig Edelstein, 1943 Institute of the History of Medicine The Hippocratic Oath and the Ethics of Medicine Steven H. Miles, 2005-06-02 This engaging book examines what the Hippocratic Oath meant to Greek physicians 2400 years ago and reflects on its relevance to medical ethics today Drawing on the writings of ancient physicians Greek playwrights and modern scholars each chapter explores one of its passages and concludes with a modern case discussion The Oath proposes principles governing the relationship between the physician and society and patients It rules out the use of poison and a hazardous abortive technique It defines integrity and discretion in physicians speech The ancient Greek medical works written during the same period as the Oath reveal that Greek physicians understood that they had a duty to avoid medical errors and learn from bad outcomes These works showed how and why to tell patients about their diseases and dire prognoses in order to develop a partnership for healing and to build the credibility of the profession Miles uses these writings to illuminate the meaning of the Oath in its day and in so doing shows how and why it remains a valuable guide to the ethical practice of medicine This is a book for anyone who loves medicine and is concerned about the ethics and history of this profession *The Hippocratic Oath* Ludwig Edelstein, 1954 **The Hippocratic Oath** Hippocrates, 1943

Hippocrates' Oath and Asclepius' Snake T.A. Cavanaugh, 2017-11-01 T A Cavanaugh s Hippocrates Oath and Asclepius Snake The Birth of the Medical Profession articulates the Oath as establishing the medical profession s unique internal medical ethic in its most basic and least controvertible form this ethic mandates that physicians help and not harm the sick Relying on Greek myth drama and medical experience e g homeopathy the book shows how this medical ethic arose from reflection on the most vexing medical ethical problem injury caused by a physician and argues that deliberate iatrogenic harm especially the harm of a doctor choosing to kill physician assisted suicide euthanasia abortion and involvement in capital punishment amounts to an abandonment of medicine as an exclusively therapeutic profession The book argues that medicine as a profession necessarily involves stating before others what one stands for the good one seeks and the bad one seeks to avoid on behalf of the sick and rejects the view that medicine is purely a technique lacking its own unique internal ethic It concludes noting that medical promising as found in the White Coat Ceremony through which U S medical students matriculate implicates medical autonomy which in turn merits respect including honoring professional conscientious objections **Hippocrates Now** Helen King, 2019-11-14 This book is available as open access through the Knowledge Unlatched programme and is available on www.bloomsburycollections.com We need to talk about Hippocrates Current scholarship attributes none of the works of the Hippocratic corpus to him and the ancient biographical traditions of his life are not only late but also written for their own promotional purposes Yet Hippocrates features powerfully in our assumptions about ancient medicine and our beliefs about what medicine and the physician himself should be In both orthodox and alternative medicine he continues to be a model to be emulated This book will challenge widespread assumptions about

Hippocrates and in the process about the history of medicine in ancient Greece and beyond and will also explore the creation of modern myths about the ancient world Why do we continue to use Hippocrates and how are new myths constructed around his name How do news stories and the internet contribute to our picture of him And what can this tell us about wider popular engagements with the classical world today in memes quotes and online

The Hippocratic Myth M. Gregg Bloche, 2011-03-15 When we're ill we trust in doctors to put our well-being first But medicine's expanding capability and soaring costs are putting this promise at risk Increasingly society is calling upon physicians to limit care and to use their skills on behalf of health plan bureaucrats public officials national security and courts of law And doctors are answering this call They're endangering patients veiling moral choices behind the language of science and at times compromising our liberties In *The Hippocratic Myth* Dr M Gregg Bloche marshals his expertise in medicine and the law to expose how Doctors are pushed into acting both as caregivers and cost cutters compromising their fidelity to patients Politics keeps doctors from giving war veterans the help they need Insurers and hospital administrators pressure doctors to discontinue life-saving treatment even when patients and family members object Medicine has become a weapon in America's battles over abortion child custody criminal responsibility and the rights of gays and lesbians The war on terror has exploited clinical psychology to inflict harm Challenging provocative and insightful *The Hippocratic Myth* breaks the code of silence and issues a powerful warning about the need for doctors to forge a new compact with patients and society

Propri C. Richard Bell, 2024-03-23 I woke up one morning sometime in 2001 and in between sleep and wakefulness I was thinking about what I had to get up and do Actually I was telling myself to get up and take care of the day's task Later that evening I started working on a manuscript that began almost two years earlier I decided quite spontaneously to revise the beginning of the first chapter with what I was saying to myself that morning I basically started using the book to talk to myself I went from writing in the first person to writing in dialogue Not only did the way the book was written change but so did the substance purpose and intent Over the next few days months and years I would often find myself writing in the present which can read throughout the book I was not writing from hindsight I was expressing thoughts for the first time as I wrote them The book is large in scope and without a particular genre Thoughts and emotions don't happen in category or chronological order Nor are the thoughts and emotions of a reader categorized in chronology The book speaks about addiction and recovery yet is not a book about addiction and recovery It speaks upon the contrast and ultimate uniting of one's intellectual facilities and those of will and desire Yet it is not a philosophical book It speaks upon the evolution from atheism to acknowledging divine reality but it is not a theological book It speaks of the vulnerability and struggles of a young black male seeking manhood but it is not a book about the black struggle I detail the endeavor to become a better person and the inevitable pitfalls but it is not a book about overcoming It is however a book about the ever-changing reality of life regardless of the fallacious idea that people stay the same Since the book was more than 25 years in the making and a large part of it was written in the present the book had no

choice but to change as did the author When I started writing in the Fall of 1998 I figured it would take about a year or two to finish the book By the fall of the next year I had the first 3 chapters completed and was working on the fourth On November 23 1999 two days before I was to turn 30 my mother committed suicide From there I would dive deep into alcohol addiction set myself on fire and be a hospital ride away from death after being stabbed 6 times with a 7 inch boning knife Ultimately this book is about the inverted order of life that must be turned upside down and put into order The order of love because anyone who loves desires to be loved The order of wisdom because it is the means to practice love And the order of service to others as the substance form and purpose of life itself I wrote about what I had lived while I was living it Just prior to completing the manuscript I realized that writing a book helped me survive while circling the brink of death **The Hypocritical Oath** Frederick Lukash, MD, 2025-06-14 In the heat and heart of New Orleans secrets fester like wounds Ten ambitious medical students once made a private pact if faced with a terminal illness they'd take fate into their own hands The Hippocratic Oath of do no harm became do not suffer It was supposed to be hypothetical A show of defiance against death itself Decades later members of the group start turning up dead Set in the backdrop of Hurricane Katrina Where is the line between mercy and murder *Psychiatric Abuse Poetry.....* Desha Blue, 2014-06-17 Psychiatric Abuse Poetry is a book of primarily poems about the most heinous abuse that occurs in psychiatric facilities This is not a book of poetry about professionals suggesting medications that are not helpful and are in fact oftentimes harmful on one level or another This is not a book of poetry about professionals being somewhat blasé about the welfare of their patients This is a book depicted the real life reality based verbal mental emotional physical and sexual abuse which is common in County and or State lock down facilities for those deemed DTO DTS even when those patients are forced into such a setting due to false stories made up stories or the lies of an abuser Readers are cautioned that the poetry herein is blunt disturbing and honest

Thank you unquestionably much for downloading **The Hypocritical Oath**. Maybe you have knowledge that, people have look numerous time for their favorite books like this The Hypocritical Oath, but stop happening in harmful downloads.

Rather than enjoying a fine ebook behind a cup of coffee in the afternoon, then again they juggled in the manner of some harmful virus inside their computer. **The Hypocritical Oath** is easy to get to in our digital library an online right of entry to it is set as public therefore you can download it instantly. The Hypocritical Oath Introduction

In today's digital age, the availability of The Hypocritical Oath books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Hypocritical Oath books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Hypocritical Oath books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Hypocritical Oath versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Hypocritical Oath books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Hypocritical Oath books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Hypocritical Oath books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Hypocritical Oath books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Hypocritical Oath books and manuals for download and embark on your journey of knowledge?

FAQs About The Hypocritical Oath Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Hypocritical Oath is one of the best book in our library for free trial. We provide copy of The Hypocritical Oath in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Hypocritical Oath. Where to download The Hypocritical Oath online for free? Are you looking for The Hypocritical Oath PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Hypocritical Oath. This method for see exactly what may be included and

adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress.
