The Impending Crisis of the South Hinton Rowan Helper, 2020-07-31 Reproduction of the original *The Impending Crisis of the South* by Hinton Rowan Helper **The Impending Crisis of the South** Hinton Rowan Helper, 1857 **The Impending Crisis of the South** Hinton Rowan Helper, 2016-08-17 From the 1898 edition of *Modern Culture Vol 6* On nearly all of the old bookstands of the country can be found a copy of *The Impending Crisis of the South How to Meet It* by Hinton Rowan Helper of North Carolina That the book can be easily purchased indicates that it must have had a large circulation but there are few persons under forty who have any other than a vague idea of what the work is about and fewer still know that it was at one time the most talked of book in America and was hated by the slaveholders even worse than *Uncle Tom's Cabin* THE BOOK MAKES A SENSATION From California Mr Helper turned East and then came into prominence by his book which is the subject of this article When *The Impending Crisis* was first published in 1857 it attracted immediate attention for several reasons In the first place it was an attack upon slavery by a Southern man This it is true was not unprecedented but his argument was a novel one Heretofore the attacks on slavery had largely been based on the immorality of the institution While Helper believed the institution immoral he attacked it on economic grounds He took as the basis of his attack the Census returns for 1850 which had been collected with a completeness never before attempted The Superintendent of this Census was Prof DeBow of Charleston South Carolina editor of the *Review* that bore his name The *Review* was an ardent defender of slavery and the only publication in the South of any considerable literary merit Thus it was impossible for the slaveholders to claim that the census figures had been juggled to meet anti slavery ideas SLAVERY THE RUIN OF THE SOUTH Using these figure as well as other official statistics Helper made an attack on slavery as a wasteful institution which had impoverished the South injured the non slaveholding classes and was slowly but surely working its ruin If he had confined himself to his deductions with brief and impartial comments the effect of the book on Southerners would have been much better On the contrary he was as virulent and unsparing in his denunciation of slave owners as the warmest slavery propagandist was in advocacy of that institution and in denunciation of those who held contrary views on the subject Helper was no mean writer and he used his invective in a way that wrung the Southern heart hence his book was denounced and condemned more bitterly than Mrs Stowe's great work which showed the brighter as well as the darker side of slavery
