

The Imprebionists

Janice Anderson (Writer on art)

The Impressionists:

The Impressionists Michael Wilson, 1990 The fascinating and moving story of the Impressionist painters

The Impressionists and Their Art Russell Ash, 1980 This volume includes many of the great masterpieces of Impressionism The brilliant colours of Rouen Cathedral as captured by Monet Manet's once shocking nude in *The Picnic* the many beautiful women depicted by Renoir in Paris cafes and Degas snapshot visions of ballet dancers on and off stage But the book presents not only the works of the original Impressionists but also paintings by less familiar artists such as Fantin Latour Cassatt and Guillaumin The full scope of Impressionism however was not limited to its immediate adherents and this book also traces its later flowering in the work of the Post Impressionists and Neo Impressionists through reproductions of paintings by Seurat Van Gogh Gauguin and Toulouse Lautrec

The Art of the Impressionists Janice Anderson (Writer on art), 1994

The Impressionists Francesco Salvi, 2008 This book describes the development of Impressionism and presents the eleven artists who made up the Impressionist group including reproductions and analyses of their work

Growing Up with the Impressionists Julie Manet, 2017-08-24 Julie Manet the niece of Edouard Manet and the daughter of the most famous female Impressionist artist Berthe Morisot was born in Paris on 14 November 1878 into a wealthy and cultured milieu at the height of the Impressionist era Many young girls still confide their inner thoughts to diaries and it is hardly surprising that with her mother giving all her encouragement Julie would prove to be no exception to the rule At the age of ten Julie began writing her memoirs but it wasn't until August 1893 at fourteen that Julie began her diary in earnest no neat leather bound volume with lock and key but just untidy notes scribbled in old exercise books often in pencil the presentation as spontaneous as its contents Her extraordinary diary newly translated here by an expert on Impressionism reveals a vivid depiction of a vital period in France's cultural history seen through the youthful and precocious eyes of the youngest member of what was surely the most prominent artistic family of the time

The Impressionists Handbook Robert Katz, Dars Celestine, 1999 The two authors who are both knowledgeable writers with extensive background in the study of art and art history write engagingly about the history of impressionism and the life and works of Pissarro Manet Degas Monet Renoir and Sisley At 7x8.5 the book is compact but the format is large enough to accommodate decent reproductions of many of the paintings under consideration This is a thoughtfully prepared well written treatment of the subject with none of the ponderousness that handbook might imply It was originally published in 1991 by Bookmart Ltd UK Annotation copyrighted by Book News Inc Portland OR

The Impressionists' Paris Ellen Williams, 1997 Carefully organised itineraries guide the tourist in Paris to Impressionist artists studios apartments and grave sites and the Parisian locations in their paintings Art history and anecdotes combine to inform the reader

The Art of the Impressionists Horst Keller, 1980 A survey of works by French artists of the Impressionist movement focuses on Pissarro Sisley Manet Morisot Monet Renoir Cassatt Degas and Toulouse Lautrec

The Impressionists Martha Kapos, 1991 A group of young artists in 1874 in opposition to the established

authority of the Salon and the Academy decided to show their work directly to the public in an exhibition which they organized themselves. The artists forming the core of this group—Pissarro, Degas, Sisley, Cezanne, Monet, Renoir, and Morisot—came to be known as the Impressionists. Seen to be following the independent spirit of Manet, they were immediately identified as the avant garde, and their first exhibition became an historic landmark in the development of modern art. We now tend to see the landscapes of Impressionist paintings as perfect images of nature. It is easy to overlook their startling and fragmented appearance at the time they were painted. The documents in this book show how the paintings looked to contemporary eyes, to both the critics and the artists. Some of the criticism these paintings received is almost as famous as the works themselves, and several important documents appear here in English translation for the first time. The book tells the story of the personal struggles, debates, problems, and solutions involved in a new way of painting that quickly led in unforeseen directions and took enormous risks with the traditional means of representing the world in art. These experiences are revealed in the letters and recorded comments of the artists themselves and in the writings of friends and contemporary critics, many of whom, such as Baudelaire, Zola, Valéry, Mallarmé, Huysmans, Laforgue, and Mirbeau, were also novelists and poets. The continuing interpretation of Impressionism within the changing art and art criticism of the twentieth century is examined through the writings of artists such as Leger, Kandinsky, Masson, Matisse, and Hofmann, as well as recent critics, philosophers, and art historians including Meyer Schapiro, Gaston Bachelard, Clement Greenberg, and Lawrence Gowing. The text is illustrated with 116 colour plates and 117 black and white reproductions of photographs, documents, and contemporary cartoons, prints, and drawings. After Harvard, Martha Kapos studied painting and the history of art at the Chelsea School of Art, where she is now teaching. Her art criticism has appeared in various magazines, including *Artscribe*, *Art Monthly*, and *Screen*. A collection of poems was published in 1989 by the Many Press.
