Abdication Ruth Wolff,2002 *Directors in British and Irish Cinema* Robert Murphy,2019-07-25 A guide to directors who have worked in the British and Irish film industries between 1895 and 2005 Each of its 980 entries on individuals directors gives a resume of the director s career evaluates their achievements and provides a complete filmography It is useful for those interested in film making in Britain and Ireland *New York Magazine* ,1976-11-22 *New York magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Keep Watching the Skies!** Bill

Warren,2017-01-12 Bill Warren s *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986 It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film In addition to a detailed plot synopsis full cast and credit listings and an overview of the critical reception of each film Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making The book contains 273 photographs many rare 35 in color has seven useful appendices and concludes with an enormous index This book is also available in hardcover format ISBN 978 0 7864 4230 0

The Encyclopedia of Film Composers Thomas S. Hischak,2015-04-16 For more than a century original music has been composed for the cinema From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition music has been an integral element of most films By the late 1930s movie studios had established music departments and some of the greatest names in film music emerged during Hollywood s Golden Age including Alfred Newman Max Steiner Dimitri Tiomkin and Bernard Herrmann Over

the decades other creators of screen music offered additional memorable scores and some composers such as Henry Mancini Randy Newman and John Williams have become household names The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail Each entry includes Biographical material Important dates Career highlights Analysis of the composer s musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years In addition to composers from the United States and Great Britain artists from dozens of other countries are also represented A rich resource of movie music history The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores

The Talent Delusion Tomas Chamorro-Premuzic, 2017-02-02 This book shows how to find attract develop motivate and retain stars It s full of evidence and provocative ideas to help every talent leader Dr Adam Grant Wharton Professor New York Times bestselling author Originals and Give and Take This is the book I want to hand every manager I ve ever worked with Every chapter is filled with quotes findings and ideas that I want to post on Twitter and share with the world Dr Todd Carlisle VP of HR Twitter WHY THE SCIENCE OF PEOPLE IS YOUR KEY WEAPON IN THE WAR FOR TALENT All organisations have problems and they nearly always concern people how to manage them whom to hire fire or promote and how to motivate develop and retain high potential employees Psychology the main science for understanding people should be a pivotal tool for solving these problems yet most companies play it by ear and billions of dollars are wasted on futile interventions to attract and retain the right people for key roles Bridging the gap between the psychological science of talent and common real world talent practices The Talent Delusion aims to educate HR practitioners and leaders on how to measure predict and manage talent It will provide readers with data driven solution to the common problems around employee selection development and engagement how to define and evaluate talent how to detect and inhibit toxic employee behaviours and how to identify and harness leadership potential

Production Design in the Contemporary American Film Beverly Heisner, 2004-01-16 While the viewer s eyes are trained on the actors the production design sets the mood for the film The design also subtly comments on the action and the characters moves the plot forward and adds to its symbolic content The production design of 23 films of the 1980s and 1990s is analyzed here The films are divided into five areas realistic films set in the present day stylized films including horror set in the present day period films period films that move through several decades and science fiction and fantasy films Among the movies analyzed are The Silence of the Lambs She s Gotta Have It The Fisher King Ragtime Barton Fink Goodfellas and Alien The quality of the designs is assessed by a careful reading of the mise en sc ne Often the designers own words are used to describe the effects and the process involved in achieving them
