Heaton, 2022 Thirty six chapters covering the history of Nigeria from prehistoric times to the twenty first century Accessible overviews of both the political narrative as well as the deeper histories of social organization identity formation and inter group relationships cutting edge analysis of key themes from highly respected scholars in a single forward facing volume Book jacket

**The French empire at War, 1940-1945** Martin Thomas, 2017-03-01 The French empire at war draws on original research in France and Britain to investigate the history of the divided French empire the Vichy and the Free French empires during the Second World War What emerges is a fascinating story While it is clear that both the Vichy and Free French colonial authorities were only rarely masters of their own destiny during the war preservation of limited imperial control served them both in different ways The Vichy government exploited the empire in an effort to withstand German Italian pressure for concessions in metropolitan France and it was key to its claim to be more than the mouthpiece of a defeated nation For Free France too the empire acquired a political and symbolic importance which far outweighed its material significance to the Gaullist war effort As the war progressed the Vichy empire lost ground to that of the Free French something which has often been attributed to the attraction of the Gaullist mystique and the spirit of resistance in the colonies In this radical new interpretation Thomas argues that it was neither of these The course of the war itself and the initiatives of the major combatant powers played the greatest part in the rise of the Gaullist empire and the demise of Vichy colonial control

**History of Nigeria** Sir Alan Burns, 1929      *Lord Hailey, the Colonial Office and Politics of Race and Empire in the Second World War* S. Wolton, 2000-06-21 The book studies the Anglo American debate in which British officials led by Lord Hailey countered American criticisms of imperial rule by emphasizing economic development and peace keeping as new non racial justifications for western authority These are themes that have retained a powerful resonance in the post war world

Children's Literature and Culture of the First World War Lissa Paul, Rosemary R. Johnston, Emma Short, 2015-12-22 Because all wars in the twenty first century are potentially global wars the centenary of the first global war is the occasion for reflection This volume offers an unprecedented account of the lives stories letters games schools institutions such as the Boy Scouts and YMCA and toys of children in Europe North America and the Global South during the First World War and surrounding years By engaging with developments in Children s Literature War Studies and Education and mining newly available archival resources including letters written by children the contributors to this volume demonstrate how perceptions of childhood changed in the period Children who had been constructed as Romantic innocents playing safely in secure gardens were transformed into socially responsible children actively committing themselves to the war effort In order to foreground cross cultural connections across what had been perceived as enemy lines perspectives on German American British Australian and Canadian children s literature and culture are situated so that they work in conversation with each other The multidisciplinary multinational range of contributors to this volume make it distinctive and

a particularly valuable contribution to emerging studies on the impact of war on the lives of children      **Beyond Empire** John T. Ducker, 2020-02-20 *Beyond Empire* looks at three decades of British colonial administration to assess the capacity of the independent governments of Africa to achieve independence A wealth of archival material and a unique review of British press over those decades brings to life the dynamic and the tension of the process of decolonisation Addressing a wide range of issues from education constitutional change and economic relations *Beyond Empire* sheds new light on aspects of colonial history at the country level with the focus on the African administrations themselves as agents in the decolonisation process

**Industrialisation and the British Colonial State** Lawrence Butler, 2012-12-06 Taking colonial policy towards West Africa as a case study Butler shows that during the 1940s the Colonial Office evolved a policy of encouraging colonial industry as part of a broad programme of development intended to prepare colonies for independence      **British Imperialism** P.J. Cain, A. G. Hopkins, 2016-03-02 A milestone in the understanding of British history and imperialism this ground breaking book radically reinterprets the course of modern economic development and the causes of overseas expansion during the past three centuries Employing their concept of gentlemanly capitalism the authors draw imperial and domestic British history together to show how the shape of the nation and its economy depended on international and imperial ties and how these ties were undone to produce the post colonial world of today Containing a significantly expanded and updated Foreword and Afterword this third edition assesses the development of the debate since the book's original publication discusses the imperial era in the context of the controversy over globalization and shows how the study of the age of empires remains relevant to understanding the post colonial world Covering the full extent of the British empire from China to South America and taking a broad chronological view from the seventeenth century to post imperial Britain today *British Imperialism 1688 2015* is the perfect read for all students of imperial and global history      **Nigeria's University Age** Tim Livsey, 2017-11-13 This book explores the world of Nigerian universities to offer an innovative perspective on the history of development and decolonisation from the 1930s to the 1960s Using political cultural and spatial approaches the book shows that Nigerians and foreign donors alike saw the nation's new universities as vital institutions a means to educate future national leaders drive economic growth and make a modern Nigeria Universities were vibrant places centres of nightlife dance and the construction of spectacular buildings as well as teaching and research At universities students scholars visionaries and rebels considered and contested colonialism the global Cold War and the future of Nigeria University life was shaped by and formative to experiences of development and decolonisation The book will be of interest to historians of Africa empire education architecture and the Cold War      **Educating the Middlemen** Jan-Georg Deutsch, 2021-10-11 No detailed description available for *Educating the Middlemen*      **Spidermen: Nigerian Chindits and Wingate's Operation Thursday Burma 1943 - 1944** John Igbino, 2018-10-06 In 1944 twenty thousand Allied Airborne Special Force troops in five Brigades commanded by Major General Orde Wingate landed behind the Japanese lines in Northern Burma The Operation

was Codenamed Operation Thursday The Special Force troops were nicknamed Chindits Four thousand Nigerian troops fought in the Special Force Brigades as Chindits during Operation Thursday This book is an account of their operations behind Japanese lines between February and August 1944 The Brigade s Insignia was the Black African Spider advancing on its prey Thus the Brigade called itself the Spider Brigade its Battalions namely the 6th 7th and 12th Nigeria Regiments Spider Regiments and its troops Spidemen The book is a well written account of the Spider Brigade s battles against the 18th Division of the Imperial Japanese Army It should force Chindit Historians to confront the anomalies in Contemporary History s treatment of Nigerian Chindits The book is a scholarly and dispassionate excursion into the 14th Army s Campaigns putting under the microscope the preconceived assumptions of British and Indian Armies Officer Corps about the fighting quality of Nigerian Chindits Thus the book is an important and long overdue account of Operation Thursday that will become the standard work on Nigeria s contributions to Allied Airborne Invasion of Burma Violence and Colonial Order Martin Thomas,2012-09-20 A striking new interpretation of colonial policing and political violence in three empires between the two world wars **History of Yoruba Land** Gbade Aladeojebi,2016-10-17 The name Nigeria was coined in Lokoja by Flora Shaw the future wife of Baron Lugard a British colonial administrator while gazing out at the river Niger So British colonialism created Nigeria as a country joining diverse peoples and regions in an artificial political entity along the Niger River The territory known today as Nigeria is a very large country of multi ethnic groups of about four hundred The land mass is large enough to accommodate France Belgium and Italy The name Nigeria is derived from the River Niger which traverses the country from the North to the South Nigeria is located on the coast of Western Africa It has an area of 356 669 square miles 923 768 square km At its greatest expanse it measures about 1 200 kilometres about 750 mi from East to West and about 1 050 kilometres about 650 mi from North to South It is bordered to the north by Niger the east by Chad and Cameroon the south by the Gulf of Guinea and to the west by Benin Niger River and the Benue are its largest tributary are the principal rivers in the country The area that is now Nigeria was home to ethnically based kingdoms and tribal communities before it became a European colony In spite of European contact that began in the 16th century these kingdoms and communities maintains their autonomy until the 19th century Federal Republic of Nigeria is a constitutional Federal Republic comprising 36 states and the Federal Capital Territory in Abuja The principal groups in the Northern part are Hausa Fulani Kanuri and Nupe Other minority tribes also inhabits the Middle belt area these include the Jukun the Chamba and the Bata In the region north of the upper Benue valley various ethnic groups such as Fali Gabun Gude Gudu Higi Hona Mbula Mumuye and Tika also inhabits the area In the Southwest we have the Yoruba another principal ethnic group and in the Southeast we have the Igbo people which form the third principal ethnic group In the South south we have the group of minorities such as Annang Efik Ibibio Ijaw Itsekiri Isoko Uhrobo and Ukwiani The entire ethnic group in Nigeria is over 500 parts of these are listed in appropriate section of this book Distant Drums Ashley Jackson,2009-12-03 Reveals how

colonies were central to the defence of the British Empire and the command of the oceans that underpinned it This title blends overviews of the nature of imperial defence with grass roots explanations of how individual colonies were mobilised for war
