Gillett, 1976 *Six Years With the Texas Rangers* James B. Gillett, 2016-09-07 Excerpt from Six Years With the Texas Rangers 1875 to 1881 To write a true and complete history of the Texas Rangers as a state organization would require much time and an able historian I am not a historian and could not undertake such an exhaustive treatise which would fill several volumes the size of this and it is only at the earnest solicitation of my children frontier friends and old comrades that I have undertaken to write a short history of the rangers during the years I served with them This little volume then has only the modest aim of picturing the life of the Texas Rangers during the years 1875 1881 I cannot at this late date recount in detail all the scouts that were made while I was in the service I have therefore confined myself principally to the description of those in which I was a participant Naturally I remember those the best About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Six Years with the Texas Rangers, 1875 to 1881* James B.
