Stitch In Time A Novel:

A Stitch in Time Ann Rinaldi,1994 Hannah is the strong one The one who cares for her brothers and sisters the one who s kept the family together But now everything is changing Her father is more distant and her siblings are starting lives of their own That s when Hannah decides to make a quilt A quilt of fabrics from people who are special to the family people they trust And when the sisters are separated Hannah makes sure they each have a piece of the quilt The quilt she hopes will bring her family together again

A Stitch in Time Andrew J. Robinson,2000-05-01 An unique and intense tale following Elim Garak as he attempts to stitch the ravaged society of Cardassia back together For nearly a decade Garak has longed for just one thing to go home Exiled on a space station surrounded by aliens who loathe and distrust him going back to Cardassia has been Garak s one dream Now finally he is home But home is a world whose landscape is filled with death and destruction Desperation and dust are constant companions and luxury is a glass of clean water and a warm place to sleep Ironically it is a letter from one of the aliens on that space station Dr Julian Bashir that inspires Garak to look at the fabric of his life Elim Garak has been a student a gardener a spy an exile a tailor even a liberator It is a life that was charted by the forces of Cardassian society with very little understanding of the person and even less compassion But it is the tailor that understands who Elim Garak was and what he could be It is the tailor who sees the ruined fabric of Cardassia and who knows how to bring this ravaged society back together This is strange because a tailor is the one thing Garak never wanted to be But it is the tailor whom both Cardassia and Elim Garak need It is the tailor who can put the pieces together who can take a stitch in time

A Stitch in Time Aimee E. Newell,2014-03-15 Drawing from 167 examples of decorative needlework primarily samplers and quilts from 114 collections across the United States made by individual women aged forty years and over between 1820 and 1860 this exquisitely illustrated book explores how women experienced social and cultural change in antebellum America The book is filled with individual examples stories and over eighty fine color photographs that illuminate the role that samplers and needlework played in the culture of the

time For example in October 1852 Amy Fiske 1785 1859 of Sturbridge Massachusetts stitched a sampler But she was not a schoolgirl making a sampler to learn her letters Instead as she explained The above is what I have taken from my sampler that I wrought when I was nine years old It was w rough t on fine cloth and it tattered to pieces My age at this time is 66 years Situated at the intersection of women s history material culture study and the history of aging this book brings together objects diaries letters portraits and prescriptive literature to consider how middle class American women experienced the aging process Chapters explore the physical and mental effects of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund **A Stitch in Time** Penelope LIVELY,1986 **A Stitch in Time: Heirloom Samplers for the Modern Age**
