Stolen Feelings 77:

Imperial Emotions Jane Lydon, 2020 Examines the politicisation of empathy across the British empire during the nineteenth century and traces its legacies into the present **Witnessing Australian Stories** Kelly Jean Butler, 2017-07-28 This book is about how Australians have responded to stories about suffering and injustice in Australia presented in a range of public media including literature history films and television Those who have responded are both ordinary and prominent Australians politicians writers and scholars All have sought to come to terms with Australia's history by responding empathetically to stories of its marginalized citizens Drawing upon international scholarship on collective memory public history testimony and witnessing this book represents a cultural history of contemporary Australia It examines the forms of witnessing that dominated Australian public culture at the turn of the millennium Since the late 1980s witnessing has developed in Australia in response to the increasingly audible voices of indigenous peoples migrants and more recently asylum seekers As these voices became public they posed a challenge not only to scholars and politicians but also most importantly to ordinary citizens When former Prime Minister Kevin Rudd delivered his historic apology to Australia's indigenous peoples in February 2008 he performed an act of collective witnessing that affirmed the testimony and experiences of Aboriginal Australians The phenomenon of witnessing became crucial not only to the recognition and reparation of past injustices but to efforts to create a more cosmopolitan Australia in the present This is a vital addition to Transaction's critically acclaimed Memory and Narrative series Caleb's Healing Story Kathleen A. Chara, Tasha Lehner, 2016-06-21 Caleb invites you on a journey to learn about attachment and trauma in this interactive story and workbook intended for children and the adults who support them Caleb shares his own story about healing from his difficult early experiences and encourages readers to join him in sharing their stories and completing the healing activities included in the book Caleb's Healing Story identifies the common challenges that children who have experienced attachment or trauma issues will encounter and offers easy to use interventions in the form of activities and worksheets Fully illustrated it is suitable for children aged 5-14 as well as their family friends and those working with children who present with these issues It is the ideal companion to A Safe Place for Caleb by the same author which outlines theories definitions and strategies for addressing attachment and trauma related disorders **Women in Polish Cinema** Ewa Mazierska, Elżbieta Ostrowska, 2006 This work aims to explore the main types of female character in Polish feature cinema from its beginnings to contemporary times and also to analyse the work of the most prominent Polish women film directors against the background of the roles being played by women in Polish history and their positions within society *Gift of Tears* Susan Lendrum, Gabrielle Syme, 2004-03-01 This thoroughly revised and updated edition of Gift of Tears includes new research and examples of recent events to help illustrate the effects of loss Containing a strong practical element the book guides the reader through the process of contemplating and eventually confronting their own relationship to loss Written by

experienced counsellors and psychotherapists the book contains candid and readable discussions of central issues including how to understand and work with anger and guilt attachment patterns and loss historical changes in attitudes to death and bereavement death as a particular form of loss Gift of Tears is intended for anyone who finds they have to cope in the course of their daily lives with the grief of others It will prove invaluable to counsellors therapists mental health professionals and all those helping the bereaved www.bereavementarena.com *Stolen Childhoods* Shari Botwin, 2024-05-07 Demonstrates that reclaiming life in adulthood is possible for survivors of childhood abuse *Stolen Childhoods Thriving After Abuse* focuses on how survivors of childhood abuse can finally break their silence and begin the process of recovery by understanding the impact their abuse history has on their adulthood Filled with real life client conversations along with her own experiences as a patient this work helps readers stop reliving past abuse and thrive in their recovery It demonstrates the tremendous hope that can come from having a witness and feeling heard and believed Throughout the book the reader witnesses how adult survivors of childhood abuse can use relationships with therapists partners or supportive family members to combat their feelings of shame and guilt Botwin walks readers through ways survivors can develop trust with others and move through emotions of fear and grief She offers examples of learning how to manage traumatic responses in situations that trigger flashbacks feelings of unsafety or fears of being unprotected Offering actionable steps to healing throughout Botwin helps readers on their journeys to reclaiming their right to live safe happy full lives **Extending the National Stolen Property Act to Confiscated Property** United States. Congress. House. Committee on the Judiciary, 1939 **Are You Okay?** Pete & Thalia Wallis, Pete Wallis, 2010-05-15 Are You Okay deals with these issues that many adults may face when trying to help a young person in their care in the aftermath of a crime It provides detailed information on the different types of crime from assault and hate crime to cyberbullying and sexual abuse and explores how they may affect the young person in different ways **Stolen Pride** Arlie Russell Hochschild, 2024-09-10 In her first book since the widely acclaimed *Strangers in Their Own Land* National Book Award finalist and bestselling author Arlie Russell Hochschild now ventures to Appalachia uncovering the pride paradox that has given the region such resonance For all the attempts to understand the state of American politics and the blue red divide we've ignored what economic and cultural loss can do to pride What happens Arlie Russell Hochschild asks when a proud people in a hard hit region suffer the deep loss of pride and are confronted with a powerful political appeal that makes it feel stolen Hochschild's research drew her to Pikeville Kentucky in the heart of Appalachia within the whitest and second poorest congressional district in the nation where the city was reeling coal jobs had left crushing poverty persisted and a deadly drug crisis struck the region Although Pikeville was in the political center thirty years ago by 2016 80 percent of the district's population voted for Donald Trump Her brilliant exploration of the town's response to a white nationalist march in 2017 a rehearsal for the deadly Unite the Right march that would soon take place in Charlottesville Virginia takes us deep inside a torn and suffering community Hochschild focuses on a group swept up in the

shifting political landscape blue collar men In small churches hillside hollers roadside diners trailer parks and Narcotics Anonymous meetings Hochschild introduces us to unforgettable people and offers an original lens through which to see them and the wider world In *Stolen Pride* Hochschild incisively explores our dangerous times even as she also points a way forward A piercing impressive and nuanced assessment of a critical factor in American politics Publishers Weekly starred review
