SAVING THE
EVERGLADES
FROM ITS
FRIENDS,
FOES, AND
FLORIDA

"[Carter] is a passionate grumbler. *Stolen Water* is his love song to the Everglades as well as a heartfelt rejoinder to the deal makers who brokered its restoration plan . . . [and] is richly peopled with an eclectic array of biologists, activists, Big Sugar executives, and government bureaucrats."

Stolen Water Saving The Everglades From Its Friends Foes And Florida:

Stolen Water William Hodding Carter, 2004 Publisher Description *Stolen Water* W. Hodding Carter, 2007-11-01 A riotous journey through America's most controversial beautifully unapproachable and abused wilderness the Florida Everglades In December 2000 President Clinton signed into law a 7.8 billion restoration plan for the Everglades that garnered national attention and has since become America's touchstone for environmental issues Enter W. Hodding Carter a man already bemused by the state of Florida and determined to see what if any progress has been made with the Everglades For reasons unclear even to him this amazing remote mosquito infested hard to love region has captured Carter's imagination and won't let go So for the past few years Carter has examined the Everglades from all angles social political cultural environmental culminating in an ungodly canoe trip through the heart of the Everglades But this being Hodding Carter a man who sailed a Viking ship dressed in serge for one book and followed in the footsteps of Lewis and Clark for another a canoe trip the length of the Everglades is merely the tip of the iceberg *Stolen Water* finds him adopting a manatee and auditioning to be a mermaid at Weeki Wachee Springs not enough that he reports on things he actually has to do them too often to hilarious effect In the end though his tireless reporting reveals the Everglades as never before Not content with merely observing he also interviews all the key players from environmentalists to sugar farmers to Senator Bob Graham and gives them just enough rope to hang themselves Always humane often controversial and highly readable Hodding Carter has brought to life this murky alluring place through his powerful eyewitness account and swampy mishaps *Stolen Water* is narrative nonfiction at its best from one of our most talented and funny writers Drying Up John M. Dunn, 2019-02-08 America's wettest state is running out of water Florida with its swamps lakes extensive coastlines and legions of life giving springs faces a drinking water crisis *Drying Up* is a wake up call and a hard look at what the future holds for those who call Florida home Dust jacket *The Role of an Environmental NGO in the Landmark Florida Everglades Restoration* Barbara K.
