Stomping Out Depression:

Stomping Out Depression Neil T. Anderson, Dave Park, 2001-12-04 Once depression was thought only to be an adult problem But research clearly indicates that depression has become common among modern teens and pre teens Often teens struggling with depression don't believe that anyone can relate to their circumstances or understand what they are going through But Jesus knows what it's like to feel rejected unloved and let down by the people we love And the Bible tells us that a close walk with Christ will give us a sound mind Now the Breaker Youth Edition shows teens how Jesus can change the way they think and the way they live *The Naked Truth Student's Guide* Lakita Garth, 2011-08-31 In a world where it seems like everybody's doing it how do you help students say no to premarital sex Lakita Garth tells you how As an internationally known abstinence advocate and sought after speaker she talks to more than 500 000 students a year about abstinence and sexuality Here she frankly humorously and passionately shares her principles with teens for staying pure until marriage while equipping them with the life skills necessary to be responsible and successful Through her four phase Decision Making Model young people will understand the principles of self control self discipline delayed gratification and achieving their dreams They'll be ready to establish healthy dating relationships and clearly defined boundaries for physical intimacy while understanding and valuing marriage The eight session companion DVD a leader's guide and student guides will make this resource perfect for small group use **No Compromise** Jim Burns, 2002-02-05 Jim Burns has put together an outstanding devotional for teens that speaks to the major issues touching every Christian's faith These 40 daily readings incorporate quotes and illustrations from classic children's literature biographies personal stories and notable historical events to convey eternally significant themes and help teens to relate these concepts to their own lives Perfect for teens young adults lay leaders pastors and families In addition this book is a tremendous resource for teaching today's teens The Bondage Breaker® Study Guide Neil T. Anderson, 2006-12-15 Break the Chains Holding You Captive Harmful habits negative thinking and irrational feelings can all lead to sinful behavior and keep you in bondage If you feel trapped by any of these strongholds in your life know that you are not alone you can break free This bestselling study guide has brought hope to over a million readers facing negative spiritual attacks with personal application and practical strategies Ideal for individual or group study this guide will help you realize you have the right to be free learn how to respond to the power of Satan fight the temptation to do it your way trade deception for grace actively affirm your identity in Christ This life changing resource will help you break through your spiritual battles and find freedom in Christ **Depression For Dummies** Laura L. Smith, Charles H. Elliott, 2011-04-22 What do you have to be depressed about Bet you've heard that one before Or how about You're depressed Just get over it Easier said than done right Or here's a favorite They have a pill for that now you know Unfortunately such naive armchair psychology rarely works for someone suffering from the very real plight of depression All it does is seek to trivialize depression and characterize depressed people as whiners who have nothing better to do than to complain about

their lives But the truth is depression is a very real problem In fact the World Health Organization estimates that on any given day 121 million people worldwide suffer from depression And depression rates continue to increase for example kids exhibit depression at nearly ten times the rate of previous generations Theories abound as to why depression rates are increasing but regardless of the cause this scourge continues to rob its victims of happiness joy and the capacity to give and receive love So why Depression For Dummies when there s already a glut of self help books on the market peddling so called cures and remedies for depression Because this book satisfies the need for a straight talking no nonsense resource on depression The only agenda of Depression For Dummies is to present you with the facts on depression and explain the options for dealing with it Rest assured this is no infomercial in a yellow and black cover Here s just a sampling of what you ll find in Depression For Dummies Demystifying the types of depression Discovering what goes on in the body of a depressed person Detecting and diagnosing depression Seeking help through therapy and medication Modifying depressed behavior and solving life s headaches Dealing with depression resulting from grief and relationship issues Cutting through the hype of alternative treatments for depression Moving beyond depression Avoiding relapses and pursuing a happy life Top Ten lists on getting rid of a your bad mood and helping your kids and other family members out of depression So whatever your level of depression whether you suffer from occasional bouts or you find yourself seriously debilitated by depression Depression For Dummies can give you the insight and tools you need to once again find enjoyment and happiness in life All it takes is one step
