Stone Cloud:

Stone, 1916 **The New Stone Age** Carol Woolton, 2020-05-12 A fashion forward guide to living well with crystals from the jewelry editor of British Vogue including guidance and advice from designers jewelers and celebrity crystal fans The New Stone Age guides you through fifteen different types of stones categorized by color and teaches you how to stylishly incorporate them into your wardrobe home and beyond Assigning each crystal to a particular ailment of the modern age whether it's self doubt travel anxiety or restlessness Carol Woolton explains how a simple crystal worn around your neck tossed in your purse or sitting next to your computer can help inspire you to make positive changes in your life Woolton traces the history of crystals showing how the same quartz that was used as a form of protection in the handles of Egyptian daggers can also be hung near a bedside to help with burnout Filled with insights facts and real life stories from people who attribute dramatic personal improvements to their crystals The New Stone Age is a fun and informative idea book for crystal lovers everywhere **Sorenson's Gift** Robin Roberts, 2022-02-03 The storyman came to the park every day to spin wondrous tales of the past amazing fantasies that held the children in thrall At least that was what Ryan thought they were until his little sister Stevie disappeared into a mysterious trunk in the old man's attic So begins an enchanting and sometimes harrowing journey for Ryan and Cimmy as they go back in time to retrieve his sister and find themselves embroiled in the politics of an America they never knew existed Racing against impending war they find themselves battling king and clergy in a desperate attempt to rescue Stevie and return to their own world But before they can find Stevie they must find each other and themselves *Clouds End* Sean Stewart, 2018-01-16 This spellbinding fantasy weaves the tantalizing tale of a young woman's struggle against her supernatural twin But when the mystical island of Clouds End comes under attack by the invading forces of a mad emperor the pair must forge an uneasy alliance to defend their home Stewart's beautifully lucid poetic prose makes for a narrative of commanding power and enchantment that echoes the best of Le Guin and Tolkien
