Fallen Angels Robin Lloyd-Jones, 2012-08-30 From the outside most of us have caught brief but shocking glimpses of the street children of South America In this collection of short stories Robin Lloyd Jones shows us vividly and authentically the view from the inside looking out We feel what it is like to be only ten years old and yet to prefer life on the street to the miseries of violence abuse and poverty in the home Exploited by the police the drug pushers the makers of snuff movies and the dealers in human spare parts tidied away when they might be a political embarrassment these children have learnt to survive like the stray dogs on the garbage dump by obeying the law of the pack Reality is a dangerous substance says a character as he offers a joint to ten year old Angel It should be taken only in small doses by the young What Robin Lloyd Jones offers us is undoubtedly a very strong and disturbing dose of reality one which cannot fail to touch the humanity of his readers What reviewers thought of the book This is an extremely interesting collection of horrifying stories about Los Gamines the destitute and homeless children who roam and sleep in the streets of a great South American city The stories in

Fallen Angels are terse and economical and well written A lot of would be short story writers could study them to their advantage Fred Urquhart Scottish Book Collector The importance and horror of these stories transcend art quite simply they question whether humanity has any right to enjoy this planet at all if the price for that enjoyment is the staggering amount of human suffering and death Lloyd Jones describes His commitment and empathy shows The stories are well paced well patterned too cutting from child view to adult from character to character yet interweaving a black tapestry Douglas Gifford Scottish Books e If you want to know what poverty and injustice are really like only fiction can give you the truth e says Robin Lloyd Jones In Fallen Angels he proves this with unsurpassed mastery A compassionate deeply moving rendition of some disturbing tales based upon reality Dr Maryanne Traylen Resurgence Magazine *Gothiniad* Surazeus Astarius,2017-10 *Gothiniad* of Surazeus Oracle of Gotha presents 150 792 lines of verse in 1 948 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 1993 to 2000 **The Shell Country Alphabet** Geoffrey Grigson,2009-07-02 In the 1960s Geoffrey Grigson travelled around England writing the story of the secret landscape that is all around us if only we take the time to look and see The result is a book that will take you on an imaginative journey revealing hidden stories unexpected places and strange phenomena From green men ice scratches cross legged knights and weathercocks to rainbows clouds and stars from place names and poets to mazes dene holes and sham ruins via avenues dewponds and village greens The Shell Country Alphabet will help you discover the world that remains just off the motorway Geoffrey Grigson resurrected the minor the provincial and the parochial he was an erudite and unrivalled topographer ardent in promoting informed awareness of the distinctiveness of place Toby Barnard An anthologist of genius P J Kavanagh

significant cities This study argues that Bath's efforts to preserve itself as an idealized Georgian town reveal an aesthetics of exclusion Jane Austen may be well known but the role of historic women in the creation of this city has had minimal treatment within the city's collective public memory This book is an intervention into this memory the author uses site specific works of public art as strategic counterparts to her historical readings Through them she aims to transform as well as critique the urban image of Bath At once a performative literature an extensively researched history and an alternative guide to the city Architects Angels Activists engages with current struggles over urban signification in Bath and beyond

Lightbearer John Caruso, 2009-12-01 Lucifer fallen angel or martyr of desire Condemned to die by God and branded a traitor by his fellow fallen angels Lucifer descends on Boston in a blizzard He is drawn to humanity and vows to appear before the world again as Lucifer But with Heaven's longstanding disinformation campaign stacked against him he does not yet dare When he learns of a celibate cult the Wise Virgins he dons human disguises and enters the lives of two of its leaders Virgil Caldera and his aunt Agatha Brimsmead The powerful archangel Michael Lucifer's creator and former lover is behind the cult Michael is convinced that sex is the source of all misery on earth and has decreed that humans must renounce erotic love or burn in hellfire The battle of wills and wits is on not only over the bodies and souls of Virgil and Agatha but in that age old struggle between desire and divine authority Lucifer has one hope of defeating Michael he must expose the deadly flaw in Michael's plan of salvation But as long as he remains hidden he cannot reveal the truth about his past in heaven or the scandal of the world to come In The Bible and Milton's Paradise Lost Lucifer is portrayed as the angel whose pride caused him to fall from heaven and turn toward evil In *Lightbearer* he is the artist the dissident and the genius of desire who dares to question the premise of creation itself and who reveals that sin may be all that stands between us and living hell
