Stonemans An Appalachian Family And The Music That Shaped Their Lives

Michael Ann Williams

Stonemans An Appalachian Family And The Music That Shaped Their Lives:

The Stonemans Ivan M. Tribe, 1993 *The Stonemans* is an eye opening slice of Americana a trip through nearly twenty years of country music history following a single family from their native Blue Ridge Mountains to the slums of Washington D C and the glitter of Nashville As early as 1924 Ernest V Pop Stoneman realized the potential of what is now known as country music and he tried to carve a career from it Successful as a recording artist from 1925 through 1929 Stoneman foundered during the Great Depression He his wife and their nine children went to Washington in 1932 struggling through a decade of hardship and working to revive the musical career Pop still believed in The Stoneman Family won the Country Music Association s Vocal Group of the Year Award in 1967 After Pop s death a year later some of the children scattered to pursue their own careers Ivan Tribe relies on extensive interviews with the Stonemans and their friends in this chronicle of a family whose members have clung to their musical heritage through good times and bad Sweet Air Edward P.

Comentale, 2013-02-28 *Sweet Air* rewrites the history of early twentieth century pop music in modernist terms Tracking the evolution of popular regional genres such as blues country folk and rockabilly in relation to the growth of industry and consumer culture Edward P Comentale shows how this music became a vital means of exploring the new and often overwhelming feelings brought on by modern life Comentale examines these rural genres as they translated the traumas of local experience the racial violence of the Delta the mass exodus from the South the Dust Bowl of the Texas panhandle into sonic form Considering the accessibility of these popular music forms he asserts the value of music as a source of progressive cultural investment linking poor rural performers and audiences to an increasingly vast network of commerce transportation and technology *Bluegrass Bluesman* Josh Graves, 2012-09-01 A pivotal member of the hugely successful bluegrass band

Flatt and Scruggs and the Foggy Mountain Boys Dobro pioneer Josh Graves 1927 2006 was a living link between bluegrass music and the blues In *Bluegrass Bluesman* this influential performer shares the story of his lifelong career in music In lively anecdotes Graves describes his upbringing in East Tennessee and the climate in which bluegrass music emerged during the 1940s Deeply influenced by the blues he adapted Earl Scruggs s revolutionary banjo style to the Dobro resonator slide guitar and gave the Foggy Mountain Boys their distinctive sound Graves accounts of daily life on the road through the 1950s and 1960s reveal the band s dedication to musical excellence Scruggs leadership and an often grueling life on the road He also comments on his later career when he played in Lester Flatt s Nashville Grass and the Earl Scruggs Revue and collaborated with the likes of Boz Scaggs Charlie McCoy Kenny Baker Eddie Adcock Jesse McReynolds Marty Stuart Jerry Douglas Alison Krauss and his three musical sons A colorful storyteller Graves brings to life the world of an American troubadour and the mountain culture that he never left behind Born in Tellico Plains Tennessee Josh Graves 1927 2006 is universally acknowledged as the father of the bluegrass Dobro In 1997 he was inducted into the Bluegrass Hall of Fame *Life Flows on in Endless Song* Robert V. Wells, 2009 An engaging survey of what folk songs tell us about the American past **Bill**

Clifton Bill C Malone, 2016-09-20 The most atypical of bluegrass artists Bill Clifton has enjoyed a long career as a recording artist performer and champion of old time music Bill C Malone pens the story of Clifton's eclectic life and influential career Born into a prominent Maryland family Clifton connected with old time music as a boy Clifton made records around earning a Master's degree fifteen years in the British folk scene and stints in the Peace Corps and Marines Yet that was just the beginning Closely allied with the Carter Family Woody Guthrie Mike Seeger and others Clifton altered our very perceptions of the music organizing one of the first outdoor bluegrass festivals publishing a book of folk and gospel standards that became a cornerstone of the folk revival and introducing both traditional and progressive bluegrass around the world As Malone shows Clifton clothed the music of working class people in the vestments of romance celebrating the log cabin as a refuge from modernism that rang with the timeless music of Appalachia An entertaining account by an eminent music historian Bill Clifton clarifies the myths and illuminates the paradoxes of an amazing musical life **Libby Larsen** Denise Von Glahn, 2017-08-15 Libby Larsen has composed award winning music performed around the world Her works range from chamber pieces and song cycles to operas to large scale works for orchestra and chorus At the same time she has advocated for living composers and new music since cofounding the American Composers Forum in 1973 Denise Von Glahn's in depth examination of Larsen merges traditional biography with a daring scholarly foray an ethnography of one active artist Drawing on musical analysis the composer's personal archive and seven years of interviews with Larsen and those in her orbit Von Glahn illuminates the polyphony of achievements that make up Larsen's public and private lives In considering Larsen's musical impact Von Glahn delves into how elements of the personal a 1950s childhood spiritual seeking love of nature and status as an important woman artist inform her work The result is a portrait of a musical pathfinder who continues to defy expectations and reject labels The Never-Ending Revival Michael F. Scully, 2022-08-15 In recent years there has been an upsurge in interest in roots music and world music popular forms that fuse contemporary sounds with traditional vernacular styles In the 1950s and 1960s the music industry characterized similar sounds simply as folk music Focusing on such music since the 1950s The Never Ending Revival Rounder Records and the Folk Alliance analyzes the intrinsic contradictions of a commercialized folk culture Both Rounder Records and the North American Folk Music and Dance Alliance have sought to make folk music widely available while simultaneously respecting its defining traditions and unique community atmosphere By tracing the histories of these organizations Michael F Scully examines the ongoing controversy surrounding the profitability of folk music He explores the lively debates about the difficulty of making commercially accessible music honoring tradition and remaining artistically relevant all without selling out In the late 1950s through the 1960s the folk music revival pervaded the mainstream music industry with artists such as Bob Dylan and Joan Baez singing historically or politically informed ballads based on musical forms from Appalachia and the South In the twenty first century the revival continues and it includes a variety of music derived from Cajun African American and Mexican

traditions among many others Even though the mainstream music industry and media largely ignore the term folk music a strong allure based on nostalgia the desire for community and a sense of exclusiveness augments an enthusiastic following connected by word of mouth numerous festivals and the Internet There are more folk festivals now than there were during the original boom of the 1960s suggesting that music artists agents and record label representatives are striking a successful balance between tradition and profitability Scully combines rich interviews of music executives and practicing folk musicians with valuable personal experience to reveal how this American subculture remains in a never ending revival based on fluid definitions of folk and folk music Staging Tradition Michael Ann Williams,2006-08-02 Based on extensive archival research oral history Michael Ann Williams traces the parallel careers of the creators of the Renfro Valley Barn Dance the National Folk Festival **Songprints** Judith Vander,1988 Perspectives on the twentieth century lives of Shoshone women musicians The musical lives of Native American women have experienced a century of cultural change and constancy Judith Vander takes readers to the Shoshone of Wyoming s Wind River Reservation to meet five generations of Shoshone women Vander s conversations with Emily Angelina Alberta Helene and Lenore capture their distinct personalities as they share their thoughts feelings and attitudes toward their music Vander transcribes and analyzes seventy five songs that the women sing Each woman possesses a unique songprint a repertoire distinctive to her culture age and personality As Vander shows the context of Shoshone social and religious ceremonies offers insights into the rise of the Native American Church the emergence and popularity of the contemporary powwow and the changing enlarging role of women In addition two eyewitnesses accounts of Ghost Dance songs and performances elaborate on the function and meaning of the Ghost Dance among the Wind River Shoshones 2nd Place from the Pauline Alderman Prize for New Scholarship on Women in Music from the International Congress on Women in Music Winner of an ASCAP Deems Taylor Award 1989 **Bluegrass Odyssey** Neil V Rosenberg,2024-04-22 The fruit of four decades of collaboration between bluegrass music s premier photographer and premier historian Bluegrass Odyssey is a satisfying and visually alluring journey into the heart of a truly American music Combining more than two hundred of Carl Fleischhauer s photographs with Neil V Rosenberg s expert commentary this elegant visual documentary captures the music making with the culture and community that foster it
