Stop Me Before I Write More:

Mother Jones Magazine ,1986-04 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues All This Thinking Stephanie Anderson,Kristen Tapon,2024-05-15 All This Thinking explores the deep friendship and the critical and creative thinking between Bernadette Mayer and Clark Coolidge focusing on an intense three year period in their three decades of correspondence These fiercely independent American avant garde poets have influenced and shaped poets and poetic movements by looking for radical poetics in the everyday This collection of letters provides insight into the poetic scenes that followed World War II while showcasing the artistic practices of Mayer and Coolidge themselves A fascinating look at both the poets and the world surrounding them All This Thinking will appeal to all readers interested in post World War II poetry

New York Magazine ,1985-05-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Program Era Mark McGurl,2011-11-30 McGurl offers a fundamental reinterpretation of postwar American fiction asserting that it can be properly understood only in relation to the rise of mass higher education and the creative writing program The Program Era will be at the center of debates about postwar literature and culture for years to come
