now living in the very same town where forty five years before the Salem witch trials Else Young was hanged as America's first witch Could magic be real Nate remains skeptical until he picks up the witchfinder's serpent a powerful demonic bracelet that wraps itself around his arm and permanently imbeds itself into his flesh Now Nate must confront the truth about Aunt Celia's unlikely ancestry as well as his own And with her help he must find a way to remove the bracelet before the serpent's previous owner returns an ancient and powerful enemy who will stop at nothing to get it back Village Infernos and Witches' Advocates Lu Ann Homza, 2022-01-18 This book revises what we thought we knew about one of the most famous witch hunts in European history Between 1608 and 1614 thousands of witchcraft accusations were leveled against men women and children in the northern Spanish kingdom of Navarre The Inquisition intervened quickly but incompetently and the denunciations continued to accelerate As the phenomenon spread children began to play a crucial role Not only were they reportedly victims of the witches harmful magic but hundreds of them also insisted that witches were taking them to the Devil's gatherings against their will Presenting important archival discoveries Lu Ann Homza restores the perspectives of illiterate Basque speaking individuals to the history of this shocking event and demonstrates what could happen when the Spanish Inquisition tried to take charge of a liminal space Because the Spanish Inquisition was the body putting those accused of witchcraft on trial modern scholars have depended upon Inquisition sources for their research Homza's groundbreaking book combines new readings of the Inquisitional evidence with fresh archival finds from non Inquisitional sources including local secular and religious courts and from notarial and census records Expanding our understanding of this witch hunt as well as the history of children community norms and legal expertise in early modern Europe Village Infernos and Witches Advocates is required reading for students and scholars of the Spanish Inquisition and the history of witchcraft in early modern Europe **Encounters with Witchcraft** Norman N. Miller, 2012-04-26 Encounters with Witchcraft is a personal story of a young man's fascination with African witchcraft discovered first in a trek across East Africa and the Congo The story unfolds over four decades during the author's long residence in and many trips to Kenya Tanzania and Uganda As a field researcher he learns from villagers what it is like to live with witches and how witches are seen through African eyes His teachers are healers cult leaders witch hunters and self proclaimed witches as well as policemen politicians and judges A key figure is Mohammadi Lupanda a frail village woman whose only child has died years before In her dreams however she believes the little girl is not dead but only lost in the fields Mohammadi is discovered wandering at night wailing and calling out for the child Her neighbors are terror stricken and she is quickly brought to a village trial and banished as a witch The author is able to watch and listen to the proceedings and later investigate the deeper story He discovers mysteries about Mohammadi that are only solved when he returns to the village three decades later Today witch hunting and witchcraft related crimes are found in more than seventy developing countries Epidemics of violence against alleged witches mainly women but including elders of both genders and even children is on the increase in

some parts of the world Witchcraft beliefs may lie behind vigilante murders political assassinations revenge killings and commercial murders for human body parts Through African voices the author addresses key questions Do witchcraft powers exist Why does witchcraft persist What are its historic roots Why is witchcraft based violence so often found within families Does witchcraft serve as a hidden legal and political system a mafia like under government The author holds up a mirror for us to think about religious beliefs in our own experience that rely heavily on myth and superstition Catch Your Thunder O?Tam Pulto,2015-06-19 Much is known about the Epic of Gilgamesh the Armageddon and the Mayan end of times Only a few know of the Great Reversal of the Magudans A handful of shamans among this forgotten community of Africa heard the gong of the End sounding That would be the beginning of their battle for the reversal of the fate of the world Elsewhere Goddess Isis is calling through Atete Ayyantu for the rise of the Seven Dancing Queens of Africas ancient Oracles Many may rise in the name of Isis but only her true daughters and sons could deliver the world from its impending doom Ayyantu should awaken the Nyabinghi and the other priestess queens To ensure the revival and survival of their people across the End these Seven should rescue the Thirsty Cup from a ferocious medium of Maguda The League of the Monarchs of the World headed by the Ethiopian Lion of Judah Mengistu the military junta Jalala the Magician and China are also hunting for the Cup Those who grab the Cup would be the superpowers of the New World This battle which involves the dead and the half dead would be peerless in the memory of the three winds
