Stop By The Church Accompaniment Cassette:

The Anatomy of Church Leaders Noel G. Clavecilla, 2020-12-16 The church of our Lord is like a body with Christ as the Head Since only the Head is perfect the body which is the church is subject to illness or disorderliness just like a human body The body of Christ is composed of people of diverse social cultural and spiritual maturity backgrounds so friction amongst each other is most likely to occur There is no such thing as a trouble free church because all local churches are being led by people who have their own imperfections In some cases these leaders walk in Spirit with pure godly motives while others are controlled by fleshly desires with selfish motives The body of Christ needs godly human leaders to support and maintain its orderliness The victory or failure of a church ministry depends on the church leaders character maturity mindset and practices This book gives the philosophies that every church leader should possess and offers biblical and practical solutions to some of the most common problems that every local church face based on the many years of experience of the author

The Blessings of a Tentmaker Giles Isaacson, 2020-06-18 The Blessings of a Tentmaker is a story that has influenced the values and outcomes of my life and the lives of my children and grandchildren it has had a similar great impact for good on hundreds and thousands of people around the globe This book is not simply about ministry it is a book of family stories What is fascinating to realize as I've read these stories is how the character actions and adventures of a parent will often be repeated by the children as my siblings can also attest As you read this book consider not simply the value of the stories but also of your responsibility to God that will be reflected in your children and descendants God help us to be careful what we allow to take root in our lives so that only what is true honest just pure lovely excellent and worth imitating as the Apostle Paul admonished can be written of us and be transferred to the next generation This book evokes another consideration What is the perfect job or the perfect life Does it exist My dad is both a businessman yes to this day and a minister Asking this question is begging the background question for what is the purpose of a life My dad explores this theme in this book My son recently told me of an anonymous and relevant quote Dreamers dream implementer's change the world Implementing requires a plan or a purpose My dad discovered his purpose and therefore his perfect job by intentionally taking time each day to worship the God who created him and who knit him together in his mother's womb for a specific purpose Psalms 139 13 Those times of worship became the basis for action as he trusted that he had a talent and a message to share **There's a Woman in the Pulpit** Rev. Martha Spong, 2015-03-18 Learn and laugh with these women of the church bound together by a deep commitment to ministry Over fifty clergywomen representing fourteen denominations explore their holy and unflinchingly human moments as they juggle the sometimes isolating expectations from their congregations and the shared realities graces and humor of everyday life **Just a Minute** Wess Stafford, 2013-12-17 How long does it take to make a difference in the life of a child For good or for ill individual moments in a young person's life can make all the difference in their future It may be something said or done by an adult who hardly thinks about it a hug a compliment an intriguing

question a sincere applause But in that moment the child discovers who they are what is important to them why they matter and sometimes even what their destiny will be Most of us want to help encourage and build into this next generation most of us see the need all around but we just have no idea where to begin Now with this book you know where to begin and you know that it only takes Just a Minute Follow along as Dr Wess Stafford president of Compassion International shares stories and experiences to introduce you to the difference you can actually make anywhere on the spectrum of child development From helping meet physical needs to breaking down emotional barriers and from discovering latent talents to equipping with spiritual insights these stories are a catalyst for action You don t have to be a teacher a parent a pastor or a doctor to make a difference in the life of a child You only have to be willing Words on Cassette, 2002 R R Bowker Publishing,2002
