Storefront Day Care Centers ,1973 **Research Relating to Children** ,1974 *Research Relating to Children*
Clearinghouse for Research in Child Life (U.S.),1972 Research Relating to Children ,1974 *Sex after Fascism* Dagmar Herzog,2007-01-22 What is the relationship between sexual and other kinds of politics Few societies have posed this puzzle as urgently or as disturbingly as Nazi Germany What exactly were Nazism s sexual politics Were they repressive for everyone or were some individuals and groups given sexual license while others were persecuted tormented and killed How do we make sense of the evolution of postwar interpretations of Nazism s sexual politics What do we make of the fact that scholars from the 1960s to the present have routinely asserted that the Third Reich was sex hostile In response to these and other questions *Sex after Fascism* fundamentally reconceives central topics in twentieth century German history Among other things it changes the way we understand the immense popular appeal of the Nazi regime and the nature of antisemitism the role of Christianity in the consolidation of postfascist conservatism in the West the countercultural rebellions of the 1960s 1970s as well as the negotiations between government and citizenry under East German communism Beginning with a new interpretation of the Third Reich s sexual politics and ending with the revisions of Germany s past facilitated by communism s collapse *Sex after Fascism* examines the intimately intertwined histories of capitalism and communism pleasure and state policies religious renewal and secularizing trends A history of sexual attitudes and practices in twentieth century Germany investigating such issues as contraception pornography and theories of sexual orientation *Sex after Fascism* also demonstrates how Germans made sexuality a key site for managing the memory and legacies of Nazism and the Holocaust

Debate Over Child Care, 1969-1990 Abbie Gordon Klein,1992-07-01 *The Debate Over Child Care* 1969 1990 offers a new perspective on the pervading problem of providing child care services in the United States The author traces the contemporary debate over the sponsorship of child care services and compares this to the past debate over the sponsorship of kindergartens during the Progressive Era Klein compares the function of child care across societal sectors and points out that turf fighting and imbedded ideological differences have prohibited the development of a proactive social policy for providing needed child care services She analyzes the advantages and disadvantages of five different sponsors the public schools the church private enterprise non profit organizations and corporations Past and present federal legislation is discussed in relation to the divisive issue of sponsorship *Revolting Families* Carrie Smith,2013-10-30 *Revolting Families* places the literary depiction of familial and intimate relations in 1960s West Germany against the backdrop of public discourse on the political significance of the private sphere Carrie Smith Prei focuses on debut works by German authors considered to be part of the new and black realism movements Dieter Wellershoff Rolf Dieter Brinkmann Gisela Elsner and Renate Rasp Each of the works by these authors uses depictions of neurosis disgust vertigo or violence to elicit a reaction in readers that calls them to political social or ethical action *Revolting Families* thus extends the concept of negativity which

has long been part of post war German philosophical and aesthetic theory to the body in German literature and culture Through an analysis of these texts and of contextual discourse Smith Prei develops a theoretical concept of corporeal negativity that works to provoke socio political engagement with the private sphere **The Second Generation** Andreas W. Daum,Hartmut Lehmann,James J. Sheehan,2015-12-01 Of the thousands of children and young adults who fled Nazi Germany in the years before the Second World War a remarkable number went on to become trained historians in their adopted homelands By placing autobiographical testimonies alongside historical analysis and professional reflections this richly varied collection comprises the first sustained effort to illuminate the role these men and women played in modern historiography Focusing particularly on those who settled in North America Great Britain and Israel it culminates in a comprehensive meticulously researched biobibliographic guide that provides a systematic overview of the lives and works of this second generation *Research in Education* ,1974 **Catalog of Copyright Entries.
