Storefront Revolution Food Co Ops And The Counterculture:

Storefront Revolution Craig Cox, 1994 In the 1960s the cooperative networks of food stores restaurants bakeries bookstores and housing alternatives were part counterculture part social experiment part economic utopia and part revolutionary political statement The co ops gave activists a place where they could both express themselves and accomplish at least some small scale changes By the mid 1970s dozens of food co ops and other consumer and work owned enterprises were operating throughout the Twin Cities and an alternative economic network with a People s Warehouse at its hub was beginning to transform the economic landscape of the metropolitan Minneapolis St Paul area However these co op activists could not always agree among themselves on their goals Craig Cox a journalist who was active in the co op movement here provides the first book to look at food co ops during the 1960s and 1970s He presents a dramatic story of hope and conflict within the Minneapolis network one of the largest co op structures in the country His view from the front of the Co op War that ensued between those who wanted personal liberation through the movement and those who wanted a working class revolution challenges us to re thing possibilities for social and political change Cox provides not a cynical portrait of sixties idealism but a moving insight into an era when anything seemed possible *Storefront Revolution* Craig Cox, 1994 In the

1960s the cooperative networks of food stores restaurants bakeries bookstores and housing alternatives were part counterculture part social experiment part economic utopia and part revolutionary political statement The co ops gave activists a place where they could both express themselves and accomplish at least some small scale changes But these activists could not always agree among themselves on their goals **Food Co-ops in America** Anne Meis Knupfer, 2013-06-15 In recent years American shoppers have become more conscious of their food choices and have increasingly turned to CSAs farmers markets organic foods in supermarkets and to joining and forming new food co ops In fact food co ops have been a viable food source as well as a means of collective and democratic ownership for nearly 180 years In *Food Co ops in America* Anne Meis Knupfer examines the economic and democratic ideals of food cooperatives She shows readers what the histories of food co ops can tell us about our rights as consumers how we can practice democracy and community and how we might do business differently In the first history of food co ops in the United States Knupfer draws on newsletters correspondence newspaper coverage and board meeting minutes as well as visits to food co ops around the country where she listened to managers board members workers and members What possibilities for change be they economic political environmental or social might food co ops offer to their members communities and the globalized world Food co ops have long advocated for consumer legislation accurate product labeling and environmental protection Food co ops have many constituents members workers board members local and even global producers making the process of collective decision making complex and often difficult Even so food co ops offer us a viable alternative to corporate capitalism In recent years committed co ops have expanded their social vision to improve access to healthy food for all by helping to

establish food co ops in poorer communities For All the People John Curl,2012-07-01 Seeking to reclaim a history that has remained largely ignored by most historians this dramatic and stirring account examines each of the definitive American cooperative movements for social change farmer union consumer and communalist that have been all but erased from collective memory Focusing far beyond one particular era organization leader or form of cooperation For All the People documents the multigenerational struggle of the American working people for social justice While the economic system was in its formative years generation after generation of American working people challenged it by organizing visionary social movements aimed at liberating themselves from what they called wage slavery Workers substituted a system based on cooperative work and constructed parallel institutions that would supersede the institutions of the wage system With an expansive sweep and breathtaking detail this scholarly yet eminently readable chronicle follows the American worker from the colonial workshop to the modern mass assembly line from the family farm to the corporate hierarchy ultimately painting a vivid panorama of those who built the United States and those who will shape its future John Curl with over forty years of experience as both an active member and scholar of cooperatives masterfully melds theory practice knowledge and analysis to present the definitive history from below of cooperative America This second edition contains a new introduction by Ishmael Reed a new author s preface discussing cooperatives in the Great Recession of 2008 and their future in the 21st century and a new chapter on the role co ops played in the Food Revolution of the 1970s Food and Drink in American History Andrew F. Smith,2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history **Organizational Imaginaries** Katherine K. Chen,Victor Tan Chen,2021-03-24 This volume explores an expansive array of organizational imaginaries or conceptions of organizational possibilities with a focus on collectivist democratic organizations to showcase how organizations can ultimately support and serve broader

communities *Upsetting Food* Jeffrey Haydu, 2021-05-28 Compares U S food reform campaigns through historical social movements each driven by capitalism but shaped by activism *Co-operative Internet Learning* William Coughlan, Jr., 2006 This book combines together historical feminist and psychoanalytic theory as well as some minimal Buddhist logic into a co operative process to enable the reader to develop an Internet co op school *World Food* Mary Ellen Snodgrass, 2012-09-15 This multicultural and interdisciplinary reference brings a fresh social and cultural perspective to the global history of food foodstuffs and cultural exchange from the age of discovery to contemporary times Comprehensive in scope this two volume encyclopedia covers agriculture and industry food preparation and regional cuisines science and technology nutrition and health and trade and commerce as well as key contemporary issues such as famine relief farm subsidies food safety and the organic movement Articles also include specific foodstuffs such as chocolate potatoes and tomatoes topics such as Mediterranean diet and the Spice Route and pivotal figures such as Marco Polo Columbus and Catherine de Medici Special features include dozens of recipes representing different historic periods and cuisines of the world listing of herbal foods and uses and a chronology of key events people in food history *The Oxford Handbook of Mutual, Co-Operative, and Co-Owned Business* Jonathan Michie, Joseph R. Blasi, Carlo Borzaga, 2017-03-30 The Oxford Handbook of Mutuals and Co Owned Business investigates all types of member owned organizations whether consumer co operatives agricultural and producer co operatives worker co operatives mutual building societies friendly societies credit unions solidarity organizations mutual insurance companies or employee owned companies Such organizations can be owned by their consumers the producers or the employees whether through single stakeholder or multi stakeholder ownership This complex set of organizations is named differently across countries from mutual in the UK to solidarity cooperatives in Latin America In some countries such organizations are not even officially recognized and thus lack a specific denomination For the sake of clarity this Handbook will refer to member owned organizations to encompass the variety of non investor owned organizations and in the national case study chapters the terms used will be those most widely employed in that country These alternative corporate forms have emerged in a variety of economic sectors in almost all advanced economies since the time of the industrial revolution and the development of capitalism through the subsequent creation and dominance of the limited liability company Until recently these organizations were generally regarded as a rather marginal component of the economy However over the past few years member owned organizations have come to be seen in some countries at least as potentially attractive in light of their ability to tackle various economic and social concerns and their relative resilience during the financial and economic crises of 2007 2013
