Selective Guide to Chinese Literature 1900-1949 Zbigniew Slupski, 2023-11-27 **Bei Bei Goes Home: A Panda Story** Cheryl Bardoe, 2021-11-16 Two nations and a mother panda work together to nurture a precious treasure in the remarkable true story of a celebrity panda cub and his life at the Smithsonian National Zoo and beyond In August 2015 zookeepers at the National Zoo in Washington DC were thrilled to spot a tiny shadow on an ultrasound For a species as rare as the giant panda every new cub is cause for celebration Zoo staff monitored mother Mei Xiang and within days a newborn appeared weighing in at just one third of a pound While Mei Xiang cradled her vulnerable infant zookeepers monitored the pair day and night through cameras in the panda den and some two million viewers logged on to the zoo website First Ladies Michelle Obama and Peng Liyuan hosted a ceremony to announce the cub s name Bei Bei meaning precious treasure in Mandarin Chinese An instant celebrity the cub captured hearts all over the world But pandas in zoos are considered emissaries from the People s Republic of China the only country where they live in the wild Four years after his birth in America Bei Bei would embark on an important new mission Graphically arresting packed with stunning full color photographs and vetted by the Smithsonian National Zoo Bei Bei Goes Home paints a vivid picture of global conservation efforts and international collaboration in the guise of an ever popular and beloved black and white ambassador **The Transparent Eye** Eugene Chen Eoyang, 1993-02-01

In this remarkably stimulating and erudite series of essays Eugene Chen Eoyang explores many of the underlying paradigms and presumptions in world literature highlighting issues of cultural interchange and cultural hegemony Translation is seen in this perspective as a central rather than a peripheral factor in understanding the meanings of literary works Taking concrete examples from Chinese literature Eoyang illuminates not only the semantic collisions that underlie the complexities of translation but also the cultural identities reflected in language and values The title alludes to a passage from Emerson reminding us that the object on view is not only the vision we see but is also the organ through which that vision is apprehended The confrontation with a radical other which is for many Westerners what Chinese literature represents is thus both a discovery and a self discovery Part of the book s originality is that it identifies a new audience one that is incipiently bicultural or knowledgeable about what has been called East as well as what has been called West Readers with an interest in the theory and practice of translation will find this an inspiring and indispensable work one that prepares the way for a comparative poetics that recognizes the intense subjectivities in every culture and at the same time establishes a basis for a comparison that tries to transcend even as it acknowledges provincialities *Bamboo Shoots After the Rain* Ann C.
