"God never intended his people to have answers to yesterday's questions. I'm grateful for the questions raised and conversations recorded in these pages, and I only wish I could have read it five years ago."

- John Ortberg author of

*Everybody's Normal
Till You Get To Know Them*

Stories Of Emergence Moving From Absolute To Authentic

Gerald R. McDermott

Stories Of Emergence Moving From Absolute To Authentic:

Stories of Emergence Mike Yaconelli, 2003 Follow the stories of these formers who were steeped in their beliefs a former fundamentalist Pentecostal liberal feminist communist and several others and walk with them on their journeys

Becoming Conversant with the Emerging Church D. A. Carson, 2009-05-26 A careful and informed assessment of the emerging church by a respected author and scholar The emerging church movement has generated a lot of excitement and exerts an astonishingly broad influence Is it the wave of the future or a passing fancy Who are the leaders and what are they saying The time has come for a mature assessment D A Carson not only gives those who may be unfamiliar with it a perceptive introduction to the emerging church movement but also includes a skillful assessment of its theological views Carson addresses some troubling weaknesses of the movement frankly and thoughtfully while at the same time recognizing that it has important things to say to the rest of Christianity The author strives to provide a perspective that is both honest and fair Anyone interested in the future of the church in a rapidly changing world will find this an informative and stimulating read D A Carson Ph D University of Cambridge is research professor of New Testament at Trinity Evangelical Divinity School in Deerfield Illinois He is the author of over 45 books including the Gold Medallion Award winning book *The Gagging of God* and is general editor of *Telling the Truth and Worship by the Book* He has served as a pastor and is an active guest lecturer in church and academic settings around the world

The Future of Pentecostalism in the United States

Eric Patterson, Edmund John Rybarczyk, 2007-01-01 One hundred years after the Azusa Street Revival stunned Los Angeles and changed Western Christianity Pentecostalism has become the fastest growing religious movement in the world However many Pentecostal denominations in the United States are in a slow decline Will Pentecostalism survive in North America in the twenty first century If so what forms will it take *The Future of Pentecostalism in the United States* brings together leading scholars of charismatic and Pentecostal Christianity to discuss and forecast these issues The book looks at American Pentecostalism from a variety of disciplinary perspectives including sociology theology history and the arts The book also considers various traditions and sub movements within U S Pentecostalism such as African American Pentecostal and charismatic Latino churches urban postmodern charismatic congregations and the role of Pentecostal institutions of higher education

Evangelicals Engaging Emergent Bill Henard, Adam W. Greenway, 2009-05-01 While plenty of books related to the conversations as well as controversies surrounding the emergent church have surfaced in recent years no comprehensive evangelical assessment of the movement has been published until now *Evangelicals Engaging Emergent* draws from a broad spectrum of conservative evangelicalism to serve as a clear informative fair and respectful guide for those desiring to know what emergent means why it originated where the movement is going what issues concern emergent believers and where they sometimes go wrong theologically Among the dozen contributors are Norman Geisler *A Postmodern View of Scripture* Darrell Bock *Emergent Emerging Christologies* Ed Stetzer *The Emergent Emerging Church A Missiological Perspective* and

Daniel Akin *The Emerging Church and Ethical Choices The Corinthian Matrix* **The Theology of Dallas Willard** Gary Black, 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith **Baptists and the Emerging Church Movement** David Mark Rathel, 2014-07-24 In *Baptists and the Emerging Church Movement* David Rathel examines the major ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives

Repairing the Missional Breach Kevin Blackwell, 2024-04-02 Making disciples is the primary calling of the church however in the past decades of American evangelicalism there has been a breach of Christ's Great Commission as found in Matt 28 19 20 Much of this failure can be attributed to the doctrine and practice within three modern church movements The book offers a history and critique of modern American evangelical church movements including the Church Growth Emergent Church and Missional Church movements Each of these movements did not result in disciple making multiplication In this book you will find an analysis of disciple making in these movements as compared to the methods and model of Jesus Informed by these critiques formative ministry adjustments are presented as a faithful path for future missional approaches

Apostles of Reason Molly Worthen, 2016 In *Apostles of Reason* Molly Worthen offers a sweeping history of modern American evangelicalism arguing that the faith has been shaped not by shared beliefs but by battles over the relationship between faith and reason **Deep Church** Jim Belcher, 2009-09-25 If you feel caught between the traditional church and the emerging church read Jim Belcher He paints a picture of an alternate deep church a missional church committed to both tradition and contemporary culture valuing innovation in worship arts and community but also adhering to creeds and confessions The Oxford Handbook of Evangelical Theology Gerald R. McDermott, 2013-12 This volume surveys the state

of the discipline on topics of greatest importance to evangelical theology The authors critically assess the state of the question from both classical and evangelical traditions and propose a future direction for evangelical thinking on the subject
