Stories Of King David:

Story of King David David M. Gunn, 1978-08-01 Gunn sets out his aim in this book to foster a fresh understanding of the narrative about David in 2 Samuel and 1 Kings commonly known as the Succession Narrative by arguing for its fuller appreciation of its nature as a story Gunn reviews the different hypotheses on the genre of the so called Court History Succession Narrative and concludes that the purpose of this story is to entertain The work is to be considered primarily artistic and literary and the rhetorical devices in the story are reliant on traditional motifs and devices *The Biblical Saga of King David* John Van Seters, 2009-06-30 The biblical story of King David has been interpreted in many different ways arising from the variety of methods used in and the intended objectives of the studies Does the narrative contain insight into and information about the early history of the Judean monarchy or is it merely a legendary tale about a distant past Can we identify the story's literary genre its sociohistorical setting and the intention of its author's Is an appreciation for the wonderful literary qualities of the story compatible with a literary critical investigation of the narrative's compositional and text critical history Van Seters reviews past scholarship on the David story and in the course of doing so unravels the history of these questions and then presents an extended appraisal of the debate about the social and historical context of the biblical story From this critical foundation Van Seters proceeds to offering a detailed literary analysis of the story of David from his rise to power under Saul to his ultimate succession by Solomon **Stories of King David** Lillian Simon

Freehof, 1952-01-01 Relates stories about the biblical King David Bible Stories Dr Priscilla Obianuju Agali, 2020-12-29 This book tells the story of two kings Asa and David The story of King Asa is based on 2 Chronicle 16 Asa's family were idol worshippers Although his father King Abijah was king of the Jewish people he did not respect God When Asa became king he chose to do the right thing He obeyed God and refused to participate in the evil things his family members did The second part of the story of King Asa tells how he fell from grace to grass because he relied on man and not God for the protection of his kingdom and people The story of David and Jonathan is a story of true friendship based on 1 Samuel 18-19 Jonathan had saved David's life before David became king After the death of Jonathan King David extended his kindness to the family of Jonathan **King David** Steven L. McKenzie, 2000-04-27 One of the most important and complex characters in the Bible King David has been the subject of innumerable portraits both artistic and literary Michaelangelo's magnificent sculpture of him is perhaps the single best known work of art in the world and the story of the humble shepherd who slew Goliath and became king has assumed a powerful mythological status But was David a real person and if so what kind of person was he Through a close and critical reading of biblical texts ancient history and recent archeological discoveries Steven L McKenzie concludes that David was indeed a real person This David however was no hero but a usurper adulterer and murderer a Middle Eastern despot of a familiar type McKenzie shows that the story of humble beginnings is utterly misleading shepherd is a metaphor for king and David came from a wealthy upper class background Similarly McKenzie reveals how David's

ascent to power traditionally attributed to popularity and divine blessing in fact resulted from a campaign of terror and assassination While instituting a full blown Middle Eastern monarchy David was an aggressive leader a devious politician and a ruthless war chief Throughout his scandalous reign important figures who stood in his way died at convenient times under questionable circumstances Even his own sons were not spared David s story writes McKenzie reads like a modern soap opera with plenty of sex violence and struggles for power Carefully researched and vividly written King David An Unauthorized Biography offers a provocative reappraisal of the life of one of the Bible s most compelling figures **David Story** Robert Alter,2000-10-03 Acclaimed for its masterful new translation and insightful commentary The David Story is a fresh vivid rendition of one of the great works in Western literature Alter s translation paints not only the heroic picture of David in his fight with Goliath but also portrays David as an ambitious calculating man with a flawed vision The Story of King David Martina Smith,2016-02-15 Colorful art and rich storytelling engage young children with the story of the young shepherd boy who became a great king Perfect for reading aloud with kids The Story of King David includes fun activities and questions to help children connect with the narrative as well as Squiggles an expressive little caterpillar that responds to the story Spark Bible stories are designed to help kids grow in faith as they explore discover and wonder about God s Word
