Stories of Mystery from Lafcadio Hearn Lafcadio Hearn,1939 Stories of Mystery from Lafcadio Hearn Lafcadio Hearn,1955 The Tales of Mystery & Macabre M. R. James,2022-11-13 In The Tales of Mystery Macabre M R James masterfully weaves a collection of ghost stories that deftly combines elements of the supernatural with an academic lens Each tale is meticulously crafted showcasing James s signature literary style that balances atmospheric detail with understated horror The collection published in the early 20th century is revered within the tradition of English ghost stories standing alongside the works of other literary luminaries like Algernon Blackwood and Edith Wharton James s acute attention to the nuances of English antiquity and his engaging narrative voice create a palpable tension that ensnares the reader drawing them into a world where the ordinary perception of reality is irrevocably disrupted M R James an esteemed medieval scholar and provost of King s College Cambridge had a profound appreciation for the art of storytelling influenced by his background in folklore and medieval literature His expertise in antiquarian studies serves as the backbone of his work often infusing his tales with eerie artifacts and historical settings that achieve both verisimilitude and terror These narratives highlight his belief in evoking horror through subtle suggestion rather than graphic depictions a technique that remains influential in the genre I highly recommend The Tales of Mystery Macabre to both scholars of literature and general readers alike This collection not only offers chilling narratives that are quintessential to the ghost story format but also enriches the reader s understanding of the cultural attitudes towards the supernatural in early 20th century Britain Immerse yourself in James s world and witness how his pioneering contributions continue to echo in contemporary horror fiction The Mysterious Mickey Finn Elliot Paul,2015-03-18 A multimillionaire s disappearance incites a maelstrom of kidnapping murder and a plot to restore the French monarchy One of the funniest books we ve read in a long time The New York Times
