Stories We Could Tell David Sanjek, 2018-10-03 How has the history of rock n roll been told Has it become formulaic Or remained like the music itself open to outside influences Who have been the genre s primary historians What common frameworks or sets of assumptions have music history narratives shared And most importantly what is the cost of failing to question such assumptions *Stories We Could Tell Putting Words to American Popular Music* identifies eight typical strategies used when critics and historians write about American popular music and subjects each to forensic analysis This posthumous book is a unique work of cultural historiography that analyses catalogues and contextualizes music writing in order to afford the reader new perspectives on the field of cultural production and offer new ways of thinking about and writing about popular music *Downloaded: A Lifetime of Collecting Music* , Rock Song Index Bruce Pollock, 2014-03-18 The Rock Song Index Second Edition is a new version of a well received index to the classic songs of the rock canon from the late 40s through the end of the 20th century The study of the history of rock music has exploded over the last decade all college music departments offer a basic rock history course covering the classic artists and their songs **Willin'** Ben Fong-Torres, 2013-11-12 The saga of the legendary Los Angeles band Little Feat is one of rock n roll s great stories Formed in 1969 by ex members of Frank Zappa s Mothers of Invention Little Feat created groove heavy music that was an irresistible mix of rock blues R B country jazz soul and funk Fronted by the charismatic but doomed vocalist and brilliant slide guitarist Lowell George the band recorded such classic studio albums as Sailin Shoes and Dixie Chicken as well as Waiting for Columbus which many consider to be one of the best live albums of all time Acclaimed journalist Ben Fong Torres working with Little Feat s surviving members their friends and associates wrote Willin based on hours of brand new interviews with the key players The result The first definitive biography of this beloved rock n roll institution Nothing's Bad Luck C. M. Kushins, 2019-05-07 Biography of legendary singer songwriter Warren Zevon spanning his nomadic youth and early recording career to his substance abuse final album and posthumous Grammy Awards As is the case with so many musicians the life of Warren Zevon was blessed with talent and opportunity yet also beset by tragedy and setbacks Raised mostly by his mother with an occasional cameo from his gangster father Warren had an affinity and talent for music at an early age Taking to the piano and guitar almost instantly he began imitating and soon creating songs at every opportunity After an impromptu performance in the right place at the right time a record deal landed on the lap of a teenager who was eager to set out on his own and make a name for himself But of course where fame is concerned things are never quite so simple Drawing on original interviews with those closest to Zevon including Crystal Zevon Jackson Browne Mitch Albom Danny Goldberg Barney Hoskyns and Merle Ginsberg *Nothing's Bad Luck* tells the story of one of rock s greatest talents Journalist C M Kushins not only examines Zevon s troubled personal life and sophisticated ever changing musical style but emphasizes the moments in which the two are inseparable and ultimately paints Zevon as a hot headed literary compelling musical genius worthy of the

same tier as that of Bob Dylan and Neil Young In Nothing s Bad Luck Kushins at last gives Warren Zevon the serious in depth biographical treatment he deserves making the life of this complex subject accessible to fans old and new for the very first time **The Fruitcake Special and Other Stories Level 4 Book with Audio CDs (2) Pack** Frank Brennan,2006-07-20
