Stories From Atlantic Canada A Selection:

Stories from Atlantic Canada Kent Thompson, 1973 **Stories from Atlantic Canada ; a selection** Kent E. Thompson, 2011-12-21 NEW YORK TIMES EDITORS CHOICE Twenty eight heart stopping and utterly beautiful Newsday stories that locate moments of love and betrayal desire and forgiveness from Nobel Prize winning author Alice Munro Her stories are like few others One must go back to Tolstoy and Chekhov for comparable largeness John Updike The New York Times Book Review A traveling salesperson during the Depression takes his children with him on an impromptu visit to a former girlfriend A poor girl steels herself to marry a rich fianc she can t quite manage to love An abandoned woman tries to choose between opposing pleasures of seduction and solitude To read these stories is to succumb to the spell of a true narrative sorcerer a writer who enchants her readers utterly even as she restores them to their truest selves *The L.M. Montgomery Reader* Benjamin Lefebvre, 2014-07-31 Now available in paperback The L M Montgomery Reader assembles rediscovered primary material on one of Canada s most enduringly popular authors spanning the entirety of her high profile career and the years since her death The second volume A Critical Heritage narrates the development of L M Montgomery s critical reputation in the years since her death It traces milestones and turning points such as adaptations for stage and screen posthumous publications and the development of Montgomery Studies as a scholarly field The introduction also considers Montgomery s publishing history in Canada the United States and the United Kingdom at a time when her work remained in print not because it was considered part of a university canon of literature but simply due to the continued interest of readers Each volume in The L M Montgomery Reader is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that traces the interplay between the author and the critic as well as between the private and the public Montgomery **The English Short Story in Canada** Reingard M. Nischik, 2017-04-20 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro **Selected List of Books** Ontario Library Association, 1911 *Stories from Atlantic Canada* Kent Thompson, 1973 *The Canadian Experience of the Great War* Brian Douglas Tennyson, 2013-05-01 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and

destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson's *The Canadian Experience of the Great War A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans
