Stories of Georgia Joel Chandler Harris, 1896-01-01 In preparing the pages that follow the writer has had in view the desirability of familiarizing the youth of Georgia with the salient facts of the State s history in a way that shall make the further study of that history a delight instead of a task The ground has been gone over before by various writers but the narratives that are here retold and the characterizations that are here attempted have not been brought together heretofore They lie wide apart in volumes that are little known and out of print The stories and the characterizations have been grouped together so as to form a series of connecting links in the rise and progress of Georgia yet it must not be forgotten that these links are themselves connected with facts and events in the State s development that are quite as interesting and of as far reaching importance as those that have been narrated here Some such suggestion as this it is hoped will cross the minds of young students and lead them to investigate for themselves the interesting intervals that lie between It is unfortunately true that there is no history of Georgia in which the dry bones of facts have been clothed with the flesh and blood of popular narrative Colonel Charles C Jones saw what was needed and entered upon the task of writing the history of the State with characteristic enthusiasm He had not proceeded far however when the fact dawned upon his mind that such a work as he contemplated must be for the most part a labor of love He felt the influence of cold neglect from every source that might have been expected to afford him aid and encouragement He was almost compelled to confine himself to a bare recital of facts for he had reason to know that at the end of his task public inappreciation was awaiting him And yet it seems to the present writer that every person interested in the growth and development of the republic should turn with eager attention to a narrative embodying the events that have marked the progress of Georgia It was in this State that some of the most surprising and spectacular scenes of the Revolution took place In one corner of Georgia those who were fighting for the independence of the republic made their last desperate stand and if they had surrendered to the odds that faced them the battle of King s Mountain would never have been fought Greene s southern campaign would have been

crippled and the struggle for liberty in the south would have ended in smoke **Stories of Georgia** J. C. Harris, 1869

STORIES OF GEORGIA (USA) - 27 illustrated stories Joel Chandler Harris, 2019-02-01 From the storyteller behind the Uncle Remus stories comes a young person's history of Georgia. Herein are 27 stories about prominent people and events in the History of the State of Georgia which stretch from the Spanish explorations of De Soto through the founding of the Georgia Colony, the War of Independence and the American Civil War to the post-war peace. These stories are accompanied by 45 pen and ink illustrations by an unknown artist. Today more than one hundred years later, the timeless appeal of these stories makes them an interesting and valuable item of Georgianiana. Some of the stories in this volume are: A Search For Treasure, Oglethorpe And His Gentle Colony, The Empress Of Georgia, Aunt Nancy Hart, A Negro Patriot, The Yazoo Fraud, The Cotton Gin, The Creeks And The Creek War, Two Famous Indian Chiefs, A Queer Case, Georgia Wit And Humor, Slavery And Secession, Georgia In The War, A Daring Adventure, The Reconstruction Period. In preparing the pages in this volume, Joel Chandler Harris, 1848-1908, has had in view the desirability of familiarizing the Citizens of Georgia with the salient facts of the State's history in a way that shall make the further study of that history not only interesting but also a delight. The characterizations herein were for the first time brought together from many sources which at the time were little known and at the time out of print. However, the history of Georgia from 1896 when this book was published until the present now exists in altogether different locations. Considering Chandler Harris compiled and penned this volume aged about 35, here's an opportunity for a budding young author to add an addendum and bring this volume up to date. 10% of the publisher's profit will be donated to Charities. **KEYWORDS TAGS:** Stories from Georgia, Joel Chandler Harris, action, active, adventure, Adams, American, American Civil War, Andrews, army, attack, Augusta, Mary, Aunt Nancy, Austin, Bosomworth, Brer Rabbit, British, Brown, Bunkley, camp, Captain, Carolina, charge, Cherokees, Clarke, Colonel, colonists, Colony, commander, condition, Congress, convention, cotton gin, County, courage, Crawford, Creeks, declare, dollars, Dooly, duty, Elijah, England, expedition, Florida, Fuller, General, Georgia, Government, Governor, history, war of independence, Indians, Jackson, James, Judge, King, Legislature, Liberty, locomotive, Longstreet, Major, march, Matthews, McGillivray, McIntosh, militia, Mississippi, money, movement, nationhood, negroes, North, officers, Oglethorpe, peace, President, Province, queen, Revolution, River, Robert, Sallette, Savannah, secession, slaves, soldiers, South, Spaniards, spirit, State, Thomas, Toombs, Tories, Railway, train, USA, Uncle Remus, United states, villages, Washington, Whitney, William, wounded, Yazoo, Fraud. **Stories of Georgia (Classic Reprint)** Joel Chandler

Harris, 2015-07-12 Excerpt from *Stories of Georgia*. In preparing the pages that follow, the writer has had in view the desirability of familiarizing the youth of Georgia with the salient facts of the State's history in a way that shall make the further study of that history a delight instead of a task. The ground has been gone over before by various writers, but the narratives that are here retold and the characterizations that are here attempted have not been brought together heretofore. They lie wide apart in volumes that are little known and out of print. The stories and the characterizations have been grouped

together so as to form a series of connecting links in the rise and progress of Georgia yet it must not be forgotten that these links are themselves connected with facts and events in the State's development that are quite as interesting and of as far reaching importance as those that have been narrated here. Some such suggestion as this it is hoped will cross the minds of young students and lead them to investigate for themselves the interesting intervals that lie between. It is unfortunately true that there is no history of Georgia in which the dry bones of facts have been clothed with the flesh and blood of popular narrative.
