Liberalism Cass R. Sunstein, 2025-09-02 A much needed defense of liberalism what it is why it is under threat and why we need it more than ever from one of our most important political thinkers today More than at any time since World War II liberalism is under pressure even siege On the right some have given up on liberalism They hold it responsible for the collapse of the family and traditional values rampant criminality disrespect for authority and widespread immorality On the left some are turning their backs on liberalism They think that it lacks the resources to handle the problems posed by entrenched inequalities racism sexism corporate power and environmental degradation But those opposed to liberalism do not depict it accurately they offer a caricature and they neglect its history In **On Liberalism** former advisor to Presidents Obama and Biden and New York Times bestselling author Cass Sunstein offers a timely and clear understanding of liberalism of its core commitments of its breadth of its internal debates of its evolving character of its promise and why we need it more than ever He also shows how and why liberalism has been and should be appealing to both the left and the right The book begins with a manifesto on behalf of liberalism and then goes on to explore the central idea of experiments of living to which a liberal constitutional order gives pride of place From there it discusses John Stuart Mill and Friedrich Hayek defining liberal thinkers the rule of law as liberals understand it freedom of speech including the place of lies and falsehoods within that freedom free markets economic liberty and regulation Franklin Delano Roosevelt s Second Bill of Rights with its social and economic guarantees and finally the concept of opportunity Never more urgently needed **On Liberalism** moves the conversation well beyond the reductive and inflammatory political sound bites of our moment and advances a compelling

argument on behalf of liberalism as the foundation of freedom and self government Secure Love Lexy Timms, USA Today Bestselling Author Lexy Timms weaves a story of betrayal deceit and risking it all for love The perfect Summer Beach read In the end we only regret the chances we didn't take Humiliation Degradation And a weekend away in the Hamptons It's what I need to shake the doldrum of my heartache away My world is crashing down around me but the only thing I can think about is her Her body Her voice The way she looked at me before that interview My mind knows I need to stay away but my heart is still calling the shots Is it possible all of it was a lie The bottom of my bottle seems more enticing than life But when I close my eyes she calls to me My Pretty Kallie I'm pulled between my reality and hers Stuck between the life I want to lead and the life people expect me to lead Was the interview a lie Was Kallie telling the truth Would she take me back Will I ever feel her skin beneath my fingertips again Will I ever get the chance to tell her how I feel Only one thing is for certain Someone is lying Wet Wild Series Stormy Love Savage love Secure Love Search Terms harlequin roma stranded island romance romance billion bbw new melody anne billionaire bachelors series billionaire romance billionaire romance true love drugs women s fiction overcoming coming of age true I happily ever after famous actor hot and steamy hot romance hot doctors bad boy Alpha Bad Boy Alpha male romance billionaire romance new adult contemporary romance love and life fiction Action Adventure Romance Fiction fantasy fiction **Expecting Love** Lexy Timms, You are the best thing I never planned Brigid O Neil Irish immigrant and interior designer never does anything that might count as wild or against the rules Until she meets Levi Carson in a bar on holiday in Miami and is too drunk to remember her rules about following rules Fast forward eight months she never got his number or last name but she did get something Levi Carson didn't expect to come home from the Marines and meet a girl he liked on his first night back in the States He'd just finished military service and his head wasn't all in the right place A little over half a year later he's transitioned from Marine medic to labor and delivery nurse When he discovers that his next patient is the girl he slept with in Miami and her baby looks exactly like him he bites the bullet and starts playing father to the little one Even though Brigid won't tell him the truth But neither one of them can keep ignoring the truth forever And when Levi finally decides he's had enough and walks away Brigid has to ask herself one question Is her pride worth losing the man she's started to fall in love with A Bump in the Road Series Book 1 Expecting Love Book 2 Selfless Act Book 3 Doctor's Orders USA Today Bestselling Author Lexy Timms brings you an unexpected baby romance that has the perfect mix of steam romantic comedy love and real life mistakes that make us feel real Search Terms Military romance unexpected baby romance billionaire romance workplace romance romance billionaire series romantic suspense dark romance sexy hero hot and steamy romance ageless romance sexy sport romance hired wife fake girlfriend happily ever after sweet love story new adult romance contemporary romance contemporary romance and sex romance love billionaire obsession romance love triangle holiday romance love and life billionaire romance romantic comedy saga women's saga hot romance bad boy Alpha Bad Boy Alpha male romance new adult big beautiful women **Priceless Love** Lexy
