Reading the Old Testament Ethically

GORDON J. WENHAM

Story As Torah Reading The Old Testament Ethically

ML Morrison

Story As Torah Reading The Old Testament Ethically:

Story as Torah Gordon Wenham, 2004-05-01 It can sometimes be difficult for the modern reader to know whether the author of an Old Testament book is commending or condemning certain acts Professor Wenham turns to modern literary theory and ethical analysis to show how two quite different books of the Old Testament Genesis and Judges offer ethical models of behaviour He focuses on the attitudes of the authors rather than the morals of the characters in the stories and argues that these models are actually closer to New Testament ideals than has previously been recognised Psalms and Poetry in Old Testament Ethics Dirk J. Human, 2012-10-25 Questions arise from scholarly debate in Hebrew Bible ethics such as what is Old Testament ethics what is the object of study what are the methods involved and how normative are Old Testament ethics for modern contexts These questions advance crucial issues in the quest for understanding ethics of the ancient Hebrew mind and the problem of how to contextualize them in modern contexts This book begins by exploring the relationship between the Old Testament and Ethics as well as a philosophical discussion on meta ethical presuppositions on divinity and morality in the Psalter The main part of the book reflects analyses of specific psalms Pss 16 34 50 72 104 and 133 The core of this section reflects an illustration of psalm texts with the thematic focus on Hebrew ethical thinking Included are a few contextual contributions discussing relevant ethical issues in Africa from an African perspective In the final section two exemplary poetic texts from the Pentateuch Deut 32 and the Prophets Jer 5 reverberate ethical thinking from other parts of the Hebrew canon Understanding Old Testament Ethics John Barton, 2003-01-01 Written by one of the world's most widely respected biblical scholars this volume sets out detailed recommendations for the future of the discipline

A Royal Priesthood?: The Use of the Bible Ethically and Politically Zondervan, 2022-03-01 Since September 11 2001 we are intensely aware of the need for political wisdom Can Scripture help us in this respect Yes but not simplistically In an exhilarating dialogue with Oliver O Donovan a team of international scholars look in detail in this book at biblical interpretation as we make the journey from what God said to Abraham as it were to how to respond to the political challenges of today Such exploration is essential if the church is to become a royal priesthood today Craig Bartholomew Contributors include Oliver O Donovan respondent to 14 chapters Gilbert Meilaender Christopher Rowland Bernd Wannenwetsch N T Wright A Royal Priesthood is the third volume from the Scripture and Hermeneutics Seminar This annual gathering of Christian scholars from various disciplines was established in 1998 and aims to reassess the discipline of biblical studies from the foundations up and forge creative new ways for reopening the Bible in our cultures Any attempt to open the Book in new and fresh ways for our cultures at the start of the third millennium must explore how to read the Bible ethically and politically This volume looks at the obstacles to such a process and in dialogue with Oliver O Donovan's creative work in this regard looks in detail at how to read different parts of the Bible for ethics and politics A unique element of the book is Oliver O Donovan's 14 responses to individual chapters Volume 1 Renewing Biblical Interpretation and Volume 2 After

Pentecost are also published by Paternoster Press and Zondervan

Reading Old Testament Narrative as Christian Scripture Douglas S. Earl, 2017-03-03 Douglas Earl sets out a fresh perspective on understanding what is involved in reading Old Testament narrative as Christian Scripture Earl considers various narratives as examples that model different interpretive challenges in the form of exegetical ethical historical metaphysical and theological difficulties Using these examples the significance of interpretive approaches focused on authorial intention history of composition canonical context reception history and reading context are considered in conjunction with spiritual literary structuralist existential historical critical and ethical critical approaches Christian interpretation of Scripture as Scripture is shown to be an inherently ad hoc task understood as a rule governed practice in Wittgenstein's sense an established goal directed activity for which no method hermeneutical principle or critical perspective discovers meaning or generates good interpretation Good interpretation involves exploration of various construals of the world of the text using hermeneutics of tradition and critique of ideology Ricoeur The interpreter's task is to discern faithful readings and develop their significance in a given intellectual or cultural context The interpretation of Scripture and its appropriation is seen to involve wisdom in forming judgments on a case by case basis learned through examples and experience on what constitutes good interpretation and use Earl shows how traditional hermeneutics and contemporary critical resources suggest that history ethics and theology can rarely be read off Old Testament narrative but also how Christians can appropriate ethically and historically problematic books such as Joshua faithfully adopt a minimalist approach to 1-2 Samuel and embrace a Trinitarian reading of Genesis 1

The Cambridge Companion to the Hebrew Bible and Ethics C. L. Crouch, 2021-01-21 The Cambridge Companion to the Hebrew Bible and Ethics offers an engaging and informative response to a wide range of ethical issues Drawing connections between ancient and contemporary ethical problems the essays address a variety of topics including student loan debt criminal justice reform ethnicity and inclusion family systems and military violence The volume emphasizes the contextual nature of ethical reflection stressing the importance of historical knowledge and understanding in illuminating the concerns the logic and the intentions of the biblical texts Twenty essays all specially commissioned for this volume address the texts historical and literary contexts and identify key social political and cultural factors affecting their ethical ideas They also explore how these texts can contribute to contemporary ethical discussions The Cambridge Companion to the Hebrew Bible and Ethics is suitable for use in undergraduate and graduate courses in liberal arts colleges and universities as well as seminaries

Ethics in the Qur'ān and the Tafsīr Tradition Tareq Moqbel, 2024-06-24 This book is about the articulation of ethics in the Qur'an and the tafsīr tradition Based on an examination of several apparently problematic Qur'anic narrative pericopes and how the exegetes grappled with them the book demonstrates that the moral world of the Qur'an is polyvalent and non-linear owing above all to its intrinsic ethical antinomies and textual ambiguities That is the book contends that paradox and uncertainty are both constituents of the Qur'an's ethical architectonics and that through these constituents the Qur'an charts a

system of ethics that seeks to tread in the midst of a non ideal world rife with uncertainty The book also argues that the tafsir tradition tends to erode the hermeneutical openness of the Qur'an and thereby limits the Qur'an's ethical potential The book thus advances our understanding of Qur'anic ethics and contributes to the field of tafsir studies and to the scholarship on Qur'anic hermeneutics *Hearing the Old Testament* Craig G. Bartholomew, David J. H. Beldman, 2012-05-02 Scholars discuss how contemporary Christians can better hear and appropriate God's address in the Old Testament from publisher description

Old Testament Ethics for the People of God Christopher J. H. Wright, 2013-01-30 Nothing confuses Christian ethics quite like the Old Testament Christopher Wright examines a theological social and economic framework for Old Testament ethics exploring themes in relation to contemporary issues economics the land and the poor politics and a world of nations law and justice society and culture and the way of the individual *For Our Good Always* Jason S. DeRouchie, Jason Gile, Kenneth J. Turner, 2024-09-12 With a title adapted from Deuteronomy 6:24 *For Our Good Always* is a collection of 25 essays from evangelical scholars on the message of Deuteronomy and its influence on Christian Scripture No other book colors the tapestry of biblical thought quite like Deuteronomy It synthesized the theology of the Pentateuch provided Israel with a constitution for guiding their covenant relationship with Yahweh in the promised land and served as a primary lens through which later biblical authors interpreted Israel's covenant history Recent advances in scholarship on Deuteronomy and developments in biblical interpretation are raising fresh questions and opening new paths for exploration This collection of studies wrestles with Deuteronomy from historical literary theological and canonical perspectives and offers new questions presents original discoveries and makes innovative proposals The volume is offered in honor of Daniel I Block on the occasion of his 70th birthday Few Old Testament scholars have worked so ably carefully and intentionally to help the church and the academy grasp the message of Deuteronomy Block's own studies always exhibit an admirable balance of exegetical rigor literary and theological awareness and pastoral care and for well over a decade he has like the priest scribe Ezra devoted himself to the study practice and teaching of the deuteronomic torah Ezra 7:10 helping and urging others to hear the life giving gospel of Moses in Deuteronomy The international group of specialists that contributed to this volume consists of Daniel Block's colleagues friends and former students It is their hope that these studies will in various ways supplement Daniel Block's work serving the church and the academy and honoring the God of Israel

Unveiling the Magic of Words: A Review of "**Story As Torah Reading The Old Testament Ethically**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
