

My Heart Is Warm

The temperatures were lower and the winds were colder
Yet my heart was as warm as can be. Cause the way you looked at me.
Your eyes radiated a love so strong - I knew this was where I belonged
The temperature may be thirty below, but in my heart I feel a glow.
Like a spark that starts a fire, you fill my hearts desire.

Never in my life I would have thought, that you was the one that I sought.
I had wandered city streets in despair looking for one to care
I had searched places where people gathered, but not one
Place ever mattered.
Peace I could never gain and my search was always in vain.

Had I known that you was always in front of me
My search would never have been a mystery
Take my hand and let us walk in paradise
Because tonight I'll ask you to be my wife.

KJ Lindholm-Leary

The Meaning Of The Warmed Heart:

The Meaning of the Warmed Heart Donald English, 1987 Everyone knows that Jesus had twelve extraordinary disciples but Donald English introduces us to thirteen extraordinary and inspiring disciples like you and me in Bible studies from the Gospels and Acts For each disciple Dr English writes directly to the lay person and answers simple questions about character and behavior about how the person became a disciple and about the insights into our conversion which emerge from the story Some stories are related to Wesley s experience of the warmed heart at Aldersgate while other studies feature the experiences of other Methodists in history
