Mark Adrienne Von Speyr,2012-01-01 These meditations on the Gospel of Mark with the exception of the second part on the Passion were given by Adrienne von Speyr between 1945 and 1958 to members of the Community of St John which she founded with the renowned theologian Fr Hans Urs von Balthasar Adrienne is speaking to young adults who have decided to live the state of the evangelical counsels in a secular profession as part of a recently established secular institute Nevertheless this contemplative commentary can be very useful for all who seek to meditate on Holy Scripture As always Adrienne here draws from the abundance of her own contemplation which keeps continually in view the harmonious unity of Christian dogmatic truth she gives to others what has been offered to her in contemplation without exegetical notes or any attempt at scholarship Since she is speaking to novices the train of thought is simple and practical yet rich in depth The points for meditation are not primarily for spiritual reading but an introduction to personal prayer They are meant only to point out a path because it is the Holy Spirit who directs contemplative prayer in all liberty As one reads through this book he will find in it a kind of synthesis of Adrienne von Speyr s spirituality This work will also be very useful to preachers catechists pastors communities and institutes who have understood with Pope Benedict XVI that It is time to reaffirm the importance of prayer in the face of the activism and the growing secularism of many Christians engaged in charitable work
