The Meddlers Jamie Martin, 2022-06-14 While the birth of global economic governance is conventionally dated to the end of World War II Jamie Martin shows how its roots lie in World War I and its aftermath *The Meddlers* explores the intense political struggles about sovereignty and self governance provoked by the first attempts to govern global capitalism **A Nation Of Meddlers** Dennis Brissett, Charles Edgley, 2018-02-20 This book examines the emergent meddling phenomenon with insightful and provocative descriptions about why meddling is so appealing and how meddling is packaged and marketed It is a testimony to a life filled with accomplishment loyalty friendship laughter and love Monitors and Meddlers Sarah Sunn Bush, Lauren Prather, 2022-08-11 Foreign influences on elections are widespread Although foreign interventions around elections differ markedly in terms of when and why they occur and whether they are even legal they all have enormous potential to influence citizens in the countries where elections are held Bush and Prather explain how and why outside interventions influence local trust in elections a critical factor for democracy and stability Whether foreign actors enhance or diminish electoral trust depends on who is intervening what political party citizens support and where the election takes place The book draws on diverse evidence including new surveys conducted around elections with varying levels of democracy in Georgia Tunisia and the United States Its insights about public opinion shed light on why leaders sometimes invite foreign influences on elections and why the candidates that win elections do not do more to respond to credible evidence of foreign meddling The Mustardseeds Eunice Wilkie, Book 4 of the series is the first of 3 books which are about an attack on the city of Aletheia The city of Truth is under threat and unless the plans of the Meddlers can be stopped there will be serious consequences for everyone who lives there All the favourite characters from the first 3 books unite to form The Mustardseeds a group of Christian kids who are determined to thwart the plans of the Meddlers Whilst the chiefs of the city of Aletheia meet deep in the Academy of Solders of the Cross and discuss the defense of Aletheia the Mustardseeds meet in a barn on Pray Always Farmlands and do likewise But in order to succeed the Mustardseeds must learn more about the power of prayer and the practical truth of Sanctification being set apart to be used by God What will happen to Aletheia if the Meddlers plans succeed and the city stops praying If there is no prayer power in Aletheia then the city is already vulnerable to the next attack which follows in Book 5 Through the adventure this book explores Biblical truth This book can be enjoyed on its own without reading the rest of the series **The Broken Journey** Eunice Wilkie, The third book in the Aletheia Adventure Series sees the return of Jack Merryweather and Timmy Trial from Book 1 Just before Christmas Jack and Timmy find themselves in the land of Err in the middle of a ferocious snowstorm They are lost and alone and courageously set out to find their friends who are part of the Christmas mission in the town of Broken There are many dangers and troubles on their journey and at last they are so fiercely attacked by the Meddlers of Err that they can go no

further But there is a purpose in their strange and broken journey Jack and Timmy must take one more trek into danger to help someone who is badly broken They really need rescuing themselves so how can they rescue the lost Do the two boys have the faith and courage to battle against the creatures of Err And will they ever make it to safety in time for Christmas Through the adventure this book explores truth from the Bible This book can be enjoyed on its own without reading the rest of the series
