The Memorabilia:

Xenophon's Socratic Works David M. Johnson, 2021-04-27 Xenophon's Socratic Works demonstrates that Xenophon a student of Socrates military man and man of letters is an indispensable source for our understanding of the life and philosophy of Socrates David M Johnson restores Xenophon's most ambitious Socratic work the Memorabilia Socratic Recollections to its original literary context enabling readers to experience it as Xenophon's original audience would have rather than as a pale imitation of Platonic dialogue He shows that the Memorabilia together with Xenophon's Apology provides us with our best evidence for the trial of Socrates and a comprehensive and convincing refutation of the historical charges against Socrates Johnson's account of Socrates moral psychology shows how Xenophon's emphasis on control of the passions can be reconciled with the intellectualism normally attributed to Socrates Chapters on Xenophon's Symposium and Oeconomicus Estate Manager reveal how Xenophon used all the literary tools of Socratic dialogue to defend Socratic sexual morality Symposium and debate the merits and limits of conventional elite values Oeconomicus Throughout the book Johnson argues that Xenophon's portrait of Socrates is rich and coherent and largely compatible with the better known portrait of Socrates in Plato Xenophon aimed not to provide a rival portrait of Socrates Johnson shows but to supplement and clarify what others had said about Socrates Xenophon's Socratic Works thus provides readers with a far firmer basis for reconstruction of the trial of Socrates a key moment in the history of Athenian democracy and for our understanding of Socrates seminal impact on Greek philosophy This volume introduces Xenophon's Socratic works to a wide range of readers from undergraduate students encountering Socrates or ancient philosophy for the first time to scholars with interests in Socrates or ancient philosophy more broadly It is also an important resource for readers interested in Socratic dialogue as a literary form the trial of Socrates Greek sexual morality the central topic of Xenophon's Symposium or Greek social history for which the Oeconomicus is a key text *The Classical Museum* Leonhard Schmitz, 2012-12-13 This short lived journal 1844-50 edited by Leonhard Schmitz 1807-90 illuminates the development of Classics as a specialist discipline **The Classical Museum** Leonhard Schmitz, 1845 **The Blackwell Guide to Ancient Philosophy** Christopher Shields, 2008-04-15 The Blackwell Guide to Ancient Philosophy provides a comprehensive treatment of the principal figures and movements of philosophy from its origins before Socrates through the towering achievements of Plato and Aristotle and into its final developments in late antiquity Provides a comprehensive guide to ancient philosophy from the pre Socratics to late antiquity Written by a cast of distinguished philosophers Covers the pre Socratics the sophistic movement Epicureanism academic skepticism stoicism and the neo Platonists Features an index and a comprehensive bibliography of both primary and secondary works *Socrates and the Socratic Dialogue* Alessandro Stavru, Christopher Moore, 2017-11-20 Socrates and the Socratic Dialogue assembles the most complete range of studies on Socrates and the Socratic dialogue It focuses on portrayals of Socrates whether as historical figure or protagonist of Socratic dialogues in extant and fragmentary texts from

novel readings of comparatively familiar visual and textual sources and in many cases examining unstudied or understudied noncanonical materials the papers collected here illuminate the roles that both local actors and individuals dwelling far beyond Mount Wutai's borders have played in its making and remaking as a holy place for more than fifteen hundred years The work aims to contribute to our understanding of the ways that sacred geography is made and remade in new places and times
