She expands on intimate details from Wood's unpublished memoir which affirms her fear of drowning and the betrayal by Wagner that shattered their first marriage. Finstad tells this heartbreaking story with sensitivity and grace, revealing a complex and conflicting mix of fragility and strength in a woman who was swept along by forces few could have resisted.

Down with the Old Canoe Steven Biel, 2012-02-28 Explores how the Titanic disaster became an icon for a variety of groups including suffragists and their opponents, radicals, reformers, capitalists, critics of technology, racists, and xenophobes.

The Titanic Eugene L. Rasor, 2001-09-30 Promoted as virtually unsinkable, the ultimate luxury liner, the largest ship in the world, the RMS Titanic sank on its maiden voyage in April 1912, taking some 1,500 people to their death. Aboard the ship were the wealthy and famous as well as hundreds of immigrants seeking a new life in America. The most dramatic marine disaster of modern times, the Titanic tragedy captured the interest and imagination of the entire world. The intensity of interest in the catastrophe has increased particularly after discovery of the wreck off the coast of Newfoundland in the mid 1980s. The resulting literature is vast, including both scholarly and popular sources. Covering more than the published literature, the book also surveys memorabilia, artifacts, cultural icons, music, film, and exhibitions. Divided into three sections, the work opens with a historiographical survey of the literature, then includes descriptive lists of more peripheral material, and concludes with a bibliography of 674 entries. All items covered in the historiographical survey are included in the bibliography. This useful guide will appeal to researchers, both laymen and scholars, interested in the Titanic.

The Titanic Daniel Gaetán-Beltrán, 2015-04-20 This gripping volume explores the tragic sinking of the Titanic in 1912. Readers will be introduced to the historical background, controversies surrounding the disaster, and personal narratives from survivors.
