Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **The Messiah-Ideal, Vol. 1** Maurice Fluegel,2018-03-21 Excerpt from The Messiah Ideal Vol 1 Comparative Religious Legislations Doctrines Forms Unfolding That Ideal Jesus of Nazareth His Aspirations and Ethical Legislation Historically Developed It is not necessary here to rehearse the popular exaggerated verdicts to which have been carried the biased estimates concerning the authors and the writings constituting the several canons excesses committed both by their adherents and by their opponents The people usually extol tomorrow what they have vilified yesterday A close examination of facts shows that the author of the Sermon on the mount was simply the exponent and owner of all the best and noblest ever

uttered in Judaea that the fine Paulinian chapter on charity just as his unique logic were the bloom and the gold dust of the mystic Hellenists of his age Even so was Islam the flower and fruit of the most thoughtful Koreischits of Arabia Each of them was the choicest of the chosen ones But each was what he had to be he could not be otherwise Each did the best and the noblest of his epoch amalgamated with the unavoidable alloy of his national and local environments And just because they did that viz the best and the fittest which their time allowed they have earned their places in the human pantheon even their dark and weak sides became per fections and were necessary just as an alloy Of brass is to the silver Of the goldsmith This adaptation proved to be the nerve of the Sacred Books the secret of their strength the cause of their having been accepted by their respective adherents as their Bible their divine guidance their rule of conduct About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Jewish Quarterly Review* ,1897 *Dictionary Catalog of the Jewish Collection* New York Public Library.
