Exploring Depth Psychology and the Female Self Leslie Gardner, Catriona Miller, 2020-11-23 *Exploring Depth Psychology and the Female Self* Feminist Themes from Somewhere presents a Jungian take on modern feminism offering an international assessment with a dynamic political edge which includes perspectives from both clinicians and academics Presented in three parts this unique collection explores how the fields of gender and

politics have influenced each other how myth and storytelling craft feminist narratives and how public discussion can amplify feminist theory The contributions include some which are traditionally theoretical in tone and some which are uniquely personal but all work to encounter the female self as an active entity The book as a whole offers a multi faceted and interdisciplinary approach to feminism and feminist issues from contemporary voices around the world as well as a critique of Jung s essentialist notion of the feminine Exploring Depth Psychology and the Female Self will offer insightful perspectives to academics and students of Jungian and post Jungian studies gender studies and politics It will also be of great interest to Jungian analysts and psychotherapists and analytical psychologists **The Legacy of the Goddess** Rachel S. McCoppin,2023-04-10

It is often assumed that the female characters found in popular folk and fairy tales are little more than inconsequential stereotypes mostly serving as hapless victims in need of rescue boring one dimensional princesses or egotistical and conniving villains This book presents more fully realized portraits of these female characters and the ways in which they actually represent bold and powerful connections to the goddesses of classic mythic narratives The rich legacy of female goddesses shamans queens and priestesses is in fact preserved and celebrated through these more modern representations whether as brides who can transform into animals wise old women who live alone in the deep wilderness strong warrior maidens or witches who can conquer and command the elements of nature In contemplating this revised analysis of female characters within global folktales and fairy tales readers can see that the goddesses of old have never truly been forgotten **The Story of V** Catherine Blackledge,2004

It is the seat of female sexual pleasure the site of the creation of humankind and the channel for its birth Yet we know less about the vagina its structure and function than we do about any other organ of the human body Why **The Woman's Belly Book** Lisa Sarasohn,2006 From belly laughs to gut reactions people acknowledge the power and wisdom within our body s center every day yet many women sabotage their bellies with tight clothes and shame This book demonstrates that by celebrating their centers instead of trying to reshape them women can tap into their source energy to boost vitality release stress spice up sexual pleasure and unleash creativity The Woman s Belly Book helps women rejoice in their womanly center The book takes a soul powered approach to building confidence and better health presenting simple exercises and movements to help women awaken their core Lisa Sarasohn presents the concepts with humor and insight and the movements which incorporate techniques such as yoga breath work belly dancing qigong and tai chi are fun and invigorating Reclaiming the belly as honorable even sacred the book also provides a foundation for a body centered spiritual practice that invokes the presence of the sacred feminine
