The Massabesic Murders:

The Massabesic Murders Gypsy Teague, Jj Sargent, 2004-12-01 From the American Library Association's 2004 Award Nominated Author of *The Life and Deaths of Carter Falls* comes the latest Claire Daniels mystery *The Massabesic Murders* set in 1935 New England This gripping mystery serves up Nazi's organized crime lords drugs guns murder and suspense enough for the hardest of the hard boiled reader Once again it's Claire Daniels and her assistant Rachel Jackson from *The Life and Deaths of Carter Falls* and *Two's Company Three You Die* against secret dark forces On a lonely snow covered city street in Manchester NH Claire and her cousin Federal Agent Danny St Claire are viciously gunned down Danny is killed and she is forced to unravel the mystery of cryptic clues he left for her before she joins the dead If this were a movie it would be black and white If you love Chandler Spillane Hammett and Gardner you'll love this historical mystery [Murder and Mayhem](#) Milli Knudsen, 2024-11-19 In *Murder and Mayhem* veteran author and genealogist Milli Knudsen looks at true crime in New Hampshire In the rapidly changing world of 1883-1915 criminals and good citizens learned to cope with new ways to commit crimes and how to protect themselves Emerging forensic science became a valuable tool In those pre internet days newspapers widely covered the crimes and trials and created an audience of true crime readers much like what we have today Murders robberies the rise of insurance coverage and therefore arson the reaction to the 1915 influenza outbreak including resistance to mask wearing sex crimes and the advent of financial crimes are all included in case studies averaging 300 to 800 words Sometimes the lives of the investigators the judges doctors and journalists who covered crime stories are every bit as fascinating as the crimes themselves *Murder and Mayhem* tells the stories behind the headlines and gives you a glimpse into life in New England in the years leading up to World War I Illustrated with historical images of victims and criminals alike and fully indexed this volume is perfect for true crime buffs and historians Based on primary sources including the second prison registry of the New Hampshire State Prison at the New Hampshire State Archives and NH court records of the time period this volume is important for genealogists and a good choice for library acquisition The world changed in dramatic ways between 1883 to 1915 The ways to commit crimes and the ways to investigate crime changed as well Knudsen has captured these fascinating stories among many others from those years in her newest volume *Two immigrant lumbermen have a fiddling contest What could go wrong Fifty years after a brutal knife attack what Christmas miracle happened to a woman in North Adams MA How should a 1 000 reward be split between those who help apprehend a murderer who fled to Canada If you had an old alarm clock wire and an explosive could you rig up a device which could burn your house down when you were hundreds of miles away* *Murder and Mayhem* is both riveting reading and an agonizing reminder that the villains and monsters of our troubled time didn't invent dishonesty and rage and hatred The booty may have been smaller in the early days of our complicated history a 6 00 payday instead of several billion in crypto crimes but the intent was not dissimilar Milli Knudsen in her deceptively simple *Just the Facts Ma'am* compendium has done an

extraordinary job detailing ample proof of the duality of the human psyche and providing enough fascinating stories to fill a dozen seasons of a Netflix streamer Ernest Thompson novelist playwright actor director Academy Award winner for adapted screenplay of *On Golden Pond* **Study of Recreational Boating Safety** United States.
