Ginsburg, 2014-04-01 If you want to pursue in a Western way the path that we follow here at Mirtola you need to study and work with the Gurdjieffian teaching Thus did the guru Madhava Ashish at their first meeting invite American businessman Sy Ginsburg on a spiritual journey that would last 19 years until the guru's death and include both annual visits to Sri Madhava Ashish's Mirtola ashram near Almora in India's Himalayan foothills and a lengthy correspondence Along the way the entrepreneur author would not only be caught up in the teachings of G I Gurdjieff but also in the search for the elusive unitive vision the world viewed from the perspective of the greater Self and not the personality In this remarkable spiritual document the reader shares the search increasingly catching glimpses of the unitive vision as the book draws toward a close that is also an opening out into the vaster dimensions of the human mind **The Masters**

**A Master of Wisdom on the Divine Self seen by Self** A Himalayan Master of Wisdom,2018-08-13 In Esotericism there are two Avalokiteshvaras First and Second Logos or Father and Son Avalokiteshvara is both the unmanifested Father and the manifested Son the latter proceeding from and identical with the other namely the Parabrahm and Jivatman the Universal and the individualized seventh Principle in man the Passive and the Active Rhys Davids is like the Cape Settlers who lived over diamond mines without suspecting it He was an atheist and a materialist

**Pearls of Inner Wisdom from a Master of Wisdom** A Master of Wisdom,Helena Petrovna Blavatsky,2020-06-27 The cis Himalayan Mahatmas are Great Souls and Masters of Wisdom their higher individuality is en rapport with the Universal Soul Through occult training in successive births the hold of lower Manas weakens until the whole Manas identifies with the Universal Soul which runs through humanity at large and lo and behold a new Saviour of Mankind is born Only a pure and unexpected soul whose brotherly love has uplifted his Manas above the fog of separateness can ever hope to approach the majesty of a Mahatma Manasic perception is enlightened belief without intellectual understanding That is the real meaning of faith not the blind belief implied by the religious meaning of faith The adept is the rare efflorescence of a generation of enquirers Their three higher aspects are merged into One A Planetary Spirit can roam the interstellar spaces in full consciousness while continue living on earth in his original body That is highest form of adeptship man can hope for on our planet Only an Occultist by analysing and experiencing sentient life in all its phases whether on earth or beyond whether mineral vegetable animal or spiritual life can figure out the Great Problem of Consciousness Spirit and Matter are co existent inseparable

interdependent and convertible to each other This androgynous Force is Mind and Soul Since motion is all pervading and absolute rest inconceivable under whatever form or mask may appear whether as light heat magnetism chemical affinity or electricity all these must be phases of One and the same universal omnipotent Force Consciousness is not only transformable into other aspects or phases of the all pervading Force but that it can be infused into and animate an artificial man The three extant centres of Occult Brotherhood though widely separated geographically and as widely exoterically promulgate the same esoteric doctrine Self is a passing guest whose concerns are all like a mirage of the great desert It is upon the serene and placid surface of the unruffled mind that the visions gathered from the invisible find a representation in the visible world Nature has linked all parts of her Empire together by subtle threads of magnetic sympathy By subduing the lower Manas and thus identifying with his higher counterpart man can become master and ruler over blind molecular motion
