The Maturing Of Yiddish Literature:

The Maturing of Yiddish Literature Solomon Liptzin, 1970 Development of Yiddish literature 1914 1939 Few of the Yiddish authors mentioned have been translated into English **The Maturing of Yiddish Literature, by Sol Liptzin** Solomon Liptzin, Children and Yiddish Literature From Early Modernity to Post-Modernity Gennady Estraiikh, Kerstin Hoge, Krutikov Mikhail, 2016-05-20 Children have occupied a prominent place in Yiddish literature since early modern times but children's literature as a genre has its beginnings in the early 20th century Its emergence reflected the desire of Jewish intellectuals to introduce modern forms of education and promote ideological agendas both in Eastern Europe and in immigrant communities elsewhere Before the Second World War a number of publishing houses and periodicals in Europe and the Americas specialized in stories novels and poems for various age groups Prominent authors such as Yankev Glatshteyn Der Nister Joseph Opatoshu Leyb Kvitko made original contributions to the genre while artists such as Marc Chagall El Lissitzky and Yisakhar Ber Rybak also took an active part In the Soviet Union meanwhile children's literature provided an opportunity to escape strong ideological pressure Yiddish children's literature is still being produced today both for secular and strongly Orthodox communities This volume is a pioneering collective study not only of children's literature but of the role played by children in literature **United States Jewry, 1776-1985** Jacob Rader Marcus, 1989 **The Mandelstam File and Der Nister File** Peter B. Maggs, 2016-09-16 Reproducing actual Soviet documents this work examines what prison and labour camp files reveal of the fate of the poet Osip Mandelstam and the history of the Yiddish writer Pinhas Kahanovich Der Nister It also provides a guide to the analysis of Stalin era prison and labour camp files *Introduction to Old Yiddish Literature* Jean Baumgarten, 2005-06-02 Jean Baumgarten's Introduction to Old Yiddish Literature thoroughly revised from the first edition and translated into English provides students and scholars of medieval Renaissance and early modern European cultures with an exemplary survey of the broad and deep literary tradition in Yiddish Baumgarten conceives of his work as the study of an entire culture via its literature and thus he conceives of literature in a broad sense he begins with four chapters addressing pertinent issues of the larger cultural context of the literature and moves on to a consideration of the primary genres in which the culture is expressed epic romance prose narrative drama biblical translation and commentary ethical and moral treatises prayers and the broad range of literature of daily use medical legal and historical In the field of early Yiddish studies the book will be the standard of intellectual breadth and scholarly excellence for decades to come In this second edition the hundreds of text citations and bibliographical references that are the scholarly basis of the study have been verified and the citations translated anew directly from the original source **Jewish American Literature** Jules Chametzky, 2001 A collection of Jewish American literature written by various authors between 1656 and 1990 The Rise of Modern Yiddish Culture David E. Fishman, 2005-11-27 The Rise of Modern Yiddish Culture explores the transformation of Yiddish from a low status vernacular to the medium of a complex

modern culture David Fishman examines the efforts of East European Jews to establish their linguistic distinctiveness as part of their struggle for national survival in the diaspora Fishman considers the roots of modern Yiddish culture in social and political conditions in Imperial Tsarist and inter war Poland and its relationship to Zionism and Bundism In so doing Fishman argues that Yiddish culture enveloped all socioeconomic classes not just the proletarian base and considers the emergence at the turn of the century of a pro Yiddish intelligentsia and a Yiddishist movement As Fishman points out the rise of Yiddishism was not without controversy Some believed that the rise of Yiddish represented a shift away from a religious dominated culture to a completely secular European one a Jewish nation held together by language rather than by land or religious content Others hoped that Yiddish culture would inherit the moral and national values of the Jewish religious tradition and that to achieve this result the Bible and Midrash would need to exist in modern Yiddish translation Modern Yiddish culture developed in the midst of these opposing concepts Fishman follows the rise of the culture to its apex the founding of the Yiddish Scientific Institute YIVO in Vilna in 1925 and concludes with the dramatic story of the individual efforts that preserved the books and papers of YIVO during the destruction and annihilation of World War II and in postwar Soviet Lithuania The Rise of Modern Yiddish Culture like those efforts preserves the cultural heritage of east European Jews with thorough research and fresh insights

A History of Yiddish Literature Solomon Liptzin, 1985 Index Bibliography p 501
507 *Sociocultural Changes in American Jewish Life as Reflected in Selected Jewish Literature* Bernard Cohen, 1972 In non technical language and in an objective spirit the author provides insight into the changing patterns of living and thinking of three generations of American Jews
