The Mayor Of Aln:

The Mayor of Aln James Rourke, 2012-06-07 Konrad a charismatic outsider wanders an apocalyptic land known as The Province Arriving at the town of Aln he installs himself as schoolmaster and gradually subverts the community's order He succeeds in getting himself elected mayor further feeding his appetite for power Privacy is declared a sin private property is abolished and polygamy implemented The City is forced to send its army to get rid of him for good But at his show trial Konrad's mysterious manipulation produces an extraordinary outcome Set in a barren fantasy landscape The Mayor of Aln combines elements both ancient and modern A strange dark and amusing tale of moral manipulation and the cult of personality The Mayor of Aln is the first book in James Rourke's The Province Trilogy **All the Year Round**, 1894

Failure of L'Action Libérale Nationale Patricia G. Dirks, 1991 The formation in 1934 of the Action libérale nationale ALN as a third party in Quebec was largely a response Patricia Dirks reveals to the growing belief that the laissez faire economic and social policies of Taschereau's Liberal government in Quebec allowed continued domination of francophone professionals and businessmen by anglophone big business interests and threatened to turn the working class toward socialism **Galula in Algeria** Grégor Mathias, 2011-10-05 This groundbreaking investigation uncovers serious mismatches between David Galula's counterinsurgency practice in Algeria and his counterinsurgency theory the foundation of current U S counterinsurgency doctrine in Iraq and Afghanistan Given the centrality of David Galula's theory to U S Counterinsurgency COIN doctrine in Iraq and Afghanistan it is striking that there has been no independent evaluation of Galula's recollection of his COIN operations in Algeria Galula in Algeria Counterinsurgency Practice versus Theory delivers just such an analysis exploring the colonial French counterinsurrectionary theoretical milieu of which Galula's COIN theory was a part the influence of Galula's theory on U S COIN doctrine and the current views of Galula's theory in France and other NATO countries French defense researcher Grégor Mathias compares each of the eight steps of Galula's theory set out in Counterinsurgency Warfare against his practice of them as described in his writings and now for the first time against the SAS archives and those of Galula's infantry company and battalion The study shows that Galula systematically inflated his operational successes to match his theoretical scheme and that he left problems unresolved causing his work to unravel quickly after he left his command Mathias concludes that however heuristically fruitful Galula's theory might prove for U S COIN doctrine it must be interpreted and implemented under the caveat that it was not successfully field tested by its author

Failure of l'Action Libérale Nationale Patricia Dirks, 1991-08-01 The ALN gained widespread business popular and church support by promising francophones both control of a modern Quebec economy and preservation of the traditional social order As Dirks shows however this support came from people with different and sometimes contradictory objectives causing internal tensions which weakened the ALN from the outset This weakness was compounded by poor leadership financial difficulties and the tactics of the other political parties in Quebec The Quebec Liberal and Conservative Parties worked

independently to undermine the ALN and any possibility of its gaining power in Quebec Maurice Duplessis leader of the Quebec Conservative party skilfully exploited the ALN s weaknesses in the interests of his own party by the formation of the Union Nationale This coalition of the ALN and the provincial Conservatives capitalized on the popularity of the ALN to win the provincial election of 1935 but ensured that power remained in the hands of what was essentially the Quebec Conservative Party Dirks insight into the political history of Quebec is informed by a multitude of sources She conducted interviews with many of the leading political players of the time including the late Paul Gouin the original leader of the ALN She also consulted many public and private archives including Gouin s and was allowed unrestricted access to Duplessis papers for the period up to 1939 the year the ALN ceased to exist In relating the rise and fall of the ALN to the socio economic ideological and political developments which shaped Quebec during the early decades of the twentieth century Dirks reveals its long term impact on the operation and organization of political parties in Quebec and Canada

War in the Mountains Neil Macmaster,2020-10-15 The role of the peasantry during the Algerian War of Independence 1954 1962 has long been neglected by historians in part because they have been viewed as a primitive mass devoid of political consciousness War in the Mountains Peasant Society and Counterinsurgency in Algeria 1918 1958 challenges this conventional understanding by tracing the ability of the peasant community to sustain an autonomous political culture through family clan and village assemblies The long established system of indirect rule by which the colonial state controlled and policed the vast mountainous interior of Algeria began to break down after the 1920s War in the Mountains explains how competing guerrilla forces and the French military sought to harness djem as as part of a hearts and minds strategy Djem as formed a pole of opposition to the patron client relations of the rural lites with clandestine urban rural networks emerging that prepared the way for armed resistance and a system of rebel governance Contrary to accepted historical analysis suggesting that rural society was massively uprooted and dislocated War in the Mountains demonstrates that the peasantry demonstrated a high level of social cohesion and resistance based on powerful family and kin networks
