The Meaning In The Miracles:

The Meaning in the Miracles Jeffrey John, 2001 Many explanations of the miracles recorded in the Gospels fall into one of two questionable categories unthinking acceptance or debunking which leaves only some vague moral lessons to be learned In this text Jeffery John sets the miracles of Jesus in a wider biblical context and shows them to be loaded with theological and prophetic relevance This broad perspective which brings together theological enquiry and the needs of personal faith should come as a revelation to many Christians searching for a proper understanding of Jesus miracles The Meaning in the Miracles Jeffrey John, 2004 Explanations of Jesus' miracles often get stuck in their supernatural elements speculating whether such things could possibly have occurred Jeffrey John argues that this is to mistake the shell for the kernel The Gospel writers recorded the many miracles of Jesus not to provoke open mouthed amazement but rather to prompt readers to seek the deeper meaning inside each of these spectacular events A best seller in England and now available for the first time in the United States The Meaning in the Miracles is praised as a must have guide to Jesus' miracles John walks readers through each miracle story providing the biblical text then offering insightful commentary that first connects the event with other biblical themes and then makes clear its meaning for today Each discussion ends with a selection of relevant scripture passages quotes from literature and other material meant to aid in further personal reflection and prayer As John shows the stories of Jesus' miraculous works are loaded with prophetic and theological significance meant primarily to foster personal faith By reflecting on the depths and dimensions of meaning the Gospel writers intended to convey readers encounter afresh the One whose works of power were always a means of announcing the good news of his transforming love then and now bA delight considerable scholarship with a light touch Highly recommended b The Reader
