DIVA kept woman's murder leads detectives St Cyr and Kohler to the upper crust of occupied Paris

divDIV It is December 1942 and the Parisian Gestapo agents pass their days by executing dissidents and plotting the destruction of the Resistance

Homicide detectives Jean Louis St Cyr and Hermann Kohler meanwhile must make do solving the gritty crimes with which the Nazi elite do not bother Just hours after they learn that St Cyr's wife and child have died the partners confront an ugly murder that turns out to be very glamorous indeed

divDIV divDIV In a pay by the hour hotel a young woman is found surrounded by counterfeit coins and an ocean of blood Her ID says she is an art student but the quality of her clothes tell St Cyr that she must be the mistress of a very rich man The girl's killer is powerful and guilty of much worse than murder

divDIV divDIV The unorthodox detective partners in a haunting wartime series by J Robert Janes make compassion their business St Cyr of the S ret Nationale and Hermann Kohler of the Gestapo work the mundane murder cases no one else wants to be bothered with They cry for us all

The New York Times Book Review

divDIV divDIV Keeps the suspense burning slowly but with mounting power their most successful outing yet

Kirkus Reviews

divDIV divDIV Janes captures the seamy side of Paris its ambience and its people most trying to survive but some trying to get rich

Seafaring Elegance: The Art of Cruise Interior Design Satakshi Choudhary, Dr. Sushil Kumar, 2024-02-02 Taking a cruise is an adventure into an unequalled world of luxury and design not just a trip across the ocean Cruise ships have evolved from being thought of as floating transit hubs to elegant cutting edge floating mansions In the pages that follow we will delve into the intriguing realm of cruise interior design and take you on a carefully planned journey through the creativity and craftsmanship that bring the onboard experience to new and amazing heights Cruise interior design is a concept that harmonically combines form and function allowing aesthetics to coexist peacefully with the practicalities of living at sea This introduction opens the door to a world where every element from the spacious atrium to the cozy staterooms has been painstakingly chosen to exude luxury coziness and refinement The way that cruise cabin design has changed throughout time has reflected changes in passenger expectations Modern cruisers want an immersive experience that stimulates their senses and takes them to worlds of beauty and indulgence they are no longer satisfied with simple utility Cruise interior designers create a genuinely remarkable experience by carefully choosing materials arranging light and space and incorporating ecological methods We will explore the complexities of designing cruise ship interiors and learn the stories behind the expansive atriums that act as the centrepiece of the ship creating a visual symphony that sets the mood for the whole nautical experience The atrium becomes a microcosm of the ship's personality a precursor to the marvels that await on the decks above from the choice of opulent materials to the thoughtful arrangement of seating places Throughout the journey the cabins and suites serve as our heavens where guests may unwind in luxury and style Here designers have to balance making the most of the available space with providing passengers with the opulent experience they want Cabins are designed to be both useful and aesthetically pleasing with luxurious bedding creative storage options and stunning views of the constantly shifting seascape creating peaceful retreats Dining establishments are the focal point of a cruise's gastronomic story Every place has a distinct tale to tell from elegant fine dining venues that equal the sophistication of exclusive land based restaurants to laid back settings meant for carefree al fresco pleasures The intricate details of these spaces including as colour schemes lighting designs and furniture choices 4 showcase the creativity of cruise interior design and work together to create an atmosphere that is a perfect match for the wide range of gastronomic options A creative canvas is provided by entertainment places which are the theatres and lounges where travellers enjoy the enchantment of live acts Designers work

in tandem with specialists in set design lighting and acoustics to turn these areas into magical theatres The end effect is an engrossing journey that immerses visitors in an opulent theatrical setting Common areas are similarly important to the story of cruise interior design as they are places where passengers congregate for socializing and relaxation Lounges gaming rooms and libraries are designed to offer a variety of opportunities for unwinding and socializing The goal is to establish social hubs that accommodate the many inclinations and appetites of the ship s multicultural patrons Furthermore cruise interior designers are using eco friendly techniques as the necessity of sustainability becomes more widely recognized The next sections will explore the eco friendly projects that are influencing cruise interior design in the future Recycled materials energy saving technologies and a dedication to ethical sourcing all help to create a more sustainable and greener marine experience We encourage you to embark on a visual and conversational trip with us as we explore the fascinating world of ship interior design Discover the luxury and creativity that characterize contemporary cruise ships and observe how practicality and design come together to create floating works of art I hope this tour stimulates your senses and helps you to appreciate the creativity that these nautical wonders painstakingly designed interiors have Good luck on your journey

Round in Circles Barry Kester, 2024-10-15 *Round In Circles* The Story of Rodgers Hammerstein s Carousel is intended not only for those who share the author s love of the Golden Age Broadway musicals but also for students of the genre who want to learn about the trials and tribulations encountered in producing a musical at that time when Rodgers and Hammerstein were transforming such shows into the unique American art form we continue to enjoy today The book covers the history of Carousel from its beginning as Liliom a 1909 play by Hungarian author Ferenc Molnar to its latest 2021 London revival At first Rodgers and Hammerstein dismissed the idea of turning Liliom into a musical How they were persuaded to change their minds and the struggles the duo experienced in adapting the dark fantastical play is a key part of the story told by author Barry Kester But the book also shines the spotlight onto Rodgers and Hammerstein themselves looking at their lives their working methods and their relationship which was not always as harmonious as one might have thought Although Carousel was created by Rodgers and Hammerstein it would not have happened without the help of some extraordinary people both backstage and onstage and the book pays due tribute to them all Many of Carousel s songs have become well loved standards none more so than You ll Never Walk Alone and not just because of its association with football A chapter is devoted to this remarkable anthem Carousel s story did not end with its 1945 Broadway opening After an initial London run and a nationwide tour in the States there was a film version The author relates the many problems that were encountered on that production The book examines what many would agree to be the finest production of Carousel to date staged at the National Theatre in 1992 directed by Nicholas Hytner and concludes with a look at some of the more recent revivals and the show s place in the musical theatre canon today Barry Kester lives in Pinner and has loved musical theatre all his life After retirement in 2010 he set out to write a detailed history of his favourite musical *Round in Circles* The Story of Rodgers

Hammerstein's Carousel is his first book

Enjoying the Beat of Appearance: An Mental Symphony within **The Merrygoround How To Become An Interior Designer**

In some sort of used by displays and the ceaseless chatter of instant interaction, the melodic elegance and psychological symphony created by the prepared word usually disappear in to the backdrop, eclipsed by the constant noise and disruptions that permeate our lives.
