

The Message of Galatians

To enclaves of young converts in the mountains of Asia Minor, Paul wrote what is perhaps the oldest document in the New Testament—the letter to the Galatians. Paul's readers were struggling with numerous issues: How were men and women to be put right with God? Among a variety of religious authorities espousing different teachings, how were they to know who was right? How could Christians in the midst of a pagan culture live lives truly pleasing to God?

Only one way, answered Paul: through Jesus Christ. In this volume, John Stott helps us understand the message of Galatians and how it holds true in the face of current challenges to our faith. Guiding readers passage by passage through Galatians, he provides helpful background, highlights key themes, and offers applications for Christians today.

This revised edition of a classic Bible Speaks Today volume features a new interior design, updated Scripture quotations, and light updates throughout.

JOHN R. W. STOTT (1921–2011) was known worldwide as a preacher, evangelist, and communicator of Scripture. For many years he served as rector of All Souls Church in London, where he carried out an effective urban pastoral ministry. Among his numerous books are *Basic Christianity*, *The Cross of Christ*, *The Contemporary Christian*, and eight volumes in The Bible Speaks Today series of New Testament expositions.

The Message of Galatians John Stott, 2021-01-05 How can Christians in the midst of a pagan culture live lives truly pleasing to God In this revised BST volume John Stott helps us understand how Paul's letter to the Galatians holds true in the face of current challenges to our faith Guiding readers passage by passage he provides helpful background highlights key themes and offers applications for Christians today **Only One Way** John R. W. Stott, 1973 The substance of the following chapters was preached to the evening congregation of All Souls Langham Place London between October 1965 and July 1966 in a course of twenty sermons from the Preface **The message of Galatians : only one way** John R. W. Stott, 1986

Truth on Fire Clark H. Pinnock, 1998-03-03 An extremely pertinent commentary on Galatians for both minister and student As the Galatians were unsettled by the opinions of false teachers so many Christians today are uneasy thanks to the treacherous utterances of some contemporary theologians Clark Pinnock delves into the central thought of the letter that Salvation is a matter of believing not achieving clearly stressing faith in Christ as Savior and his belief in the Bible as God's inerrant Word *The Message of Galatians* Dr John R W Stott, John Stott helps us to understand and apply the message of Galatians in the face of contemporary challenges to our faith Though the details of the struggle have changed the principles set forth in this letter are as timeless as the Lord it exalts **Free at Last** Derrick McCaron, 2015-03-04 Grace is supposed to be amazing but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ The tendency to add works to salvation has been a thorny problem since the gospel was first preached Legalism the doctrine of salvation by works robs the Christian of the grace filled life The book of Galatians is like an emancipation proclamation that says If the Son has set you free then you are free at last The liberating message of Galatians says believers are free from sin regulations and guilt Free from the need to measure up Free to be loved by Christ and changed by his grace Galatians is a guide for recovering Pharisees and in Free at Last Derrick McCaron takes us on a verse by verse journey through Paul's bondage busting manifesto You may be surprised to learn that Paul's message of grace is still as relevant today as it was centuries ago While the culture has changed much in those intervening years mankind's inherent desire for performance based religion has not This book is a timely reminder to Christians everywhere that if we aren't living by grace then we have succumbed to spiritual slavery **Free in Christ** E. H. Andrews, 1996 *The Message of Galatians* John R. W. Stott, 1971 **Faith Working Through Love** M. T. Robbins, 2025-01-17 The message of Galatians is that life in God's family is about faith working through love nothing else matters If believers trust in anything but Jesus and his message to declare them righteous in God's sight then they have missed the boat Paul wrote this letter to a group of churches that were confused and misled by false teachers with bad motives people who accepted a dash or two of Jesus but also wanted to bring their resumes to God Things aren't so different today But Galatians can be confusing So many people have so many different opinions about it How did one become a believer under the Old Covenant Is it different now that Jesus has come What are the

works of the law that Paul writes so much about and what do they have to do with salvation Was a believer s motivation for serving God different in King David s day than it is since Jesus came This commentary by a bi vocational pastor will help Christians understand the letter to the Galatians It explains the apostle s timeless message in everyday language for ordinary people so they can love God more and serve him in love The Theology of Paul's Letter to the Galatians James D. G. Dunn, 1993-09-09 Paul s Letter to the Galatians is one of the fiercest and most polemical writings in the Bible That is what makes it for the author of this study such an exciting document to deal with It emerges from the early days of a vigorous new movement Christianity when basic principles were first being formulated and when the whole character of the movement was at stake In the pages of Galatians we witness fundamental features of Christian theology taking shape before our eyes where the living heart of Paul s gospel is encountered For James D G Dunn there is an elemental quality about the letter to which those tired of compromising half truths are drawn when they feel the impulse to return to first principles This book which benefits from this perspective on Paul explains more clearly than hitherto both the issues which confronted Paul and the powerful theological arguments he brought to bear in response and casts light on a document still capable of shaping lives and theology today
