Morristown John W. Rae, 2002 Morristown New Jersey first earned its place in history during the Revolutionary War when General George Washington camped here with the Continental army an event that led to the founding of the first National Historic Park in 1933 Morristown preserves history while keeping up with the times often forging ahead of the pack and into the future The Green once a grazing ground for sheep and cattle became the site of the first Morris County Courthouse and is still a thriving central gathering place for townspeople Even many of the Morristown s municipal buildings tell of a past steeped in the Gilded Age as today s citizens walk the halls once trod by millionaires Morristown A Military Headquarters of the American Revolution chronicles the many famous people connected to the area such as Benedict Arnold who was tried here for treason A landmark event of the communication industry also occurred here when Samuel Morse and Alfred Vail perfected the magnetic telegraph in a barn This new volume invites readers for a ride through the past with glimpses into the lives of one of the world s richest and least known colonies of wealthy people the hidden drama and sometime romance of a Revolutionary army camp and the secret network of tunnels dug beneath the city during Prohibition Winners Storm G. Curry, 2024-03-28 Victory is a potent force in life one that brings an exhilarating rush of joy and an infectious wave of euphoria In Winners we explore the magnetic aura of those who triumph those whose spirits soar with success Their zest and positive energy are not just personal gains but are an inspiration to all who witness their achievements To exist on the side of winners is to embrace a life unrestrained a life that stretches beyond horizons and dances with possibility Somerset County in Vintage Postcards Alan A. Morristown Bonnie-Lynn Nadzeika, 2012 The seat of Morris County Morristown began as a small rural settlement centered around a common green The small village soon earned its place in American history when George Washington chose to make Morristown the site of his headquarters twice during the Revolutionary War Just a few decades later history was made again when Samuel Morse made Alfred Vail his partner in developing the telegraph at Speedwell Iron Works in Morristown The town continued to grow as successive immigrant groups created ethnic enclaves The Gilded Age came to Morristown and by 1900 dozens of millionaires called the community home and brought the trappings of wealth from lavish homes to social clubs Today while Morristown continues to evolve numerous historic sites and museums document its rich past We Lived a Life and Then Some Charlie Angus, Brit Griffin, Sally Lawrence, 1996-12-01 Based on in depth oral

interviews with local residents and rich archival sources We Lived A Life and Then Some relates the common person's struggle to overcome harsh working conditions and government neglect The unique culture of the hardrock mining town of Cobalt is exposed through the eyes of retired miners young welfare mothers and grade school children Angus and Griffin reveal why in spite of great adversity Cobalt remains a distinctive and cohesive working class community *The Americas* Trudy Ring, Noelle Watson, Paul Schellinger, 2013-11-05 This five volume set presents some 1 000 comprehensive and fully illustrated histories of the most famous sites in the world Entries include location description and site details and a 3 000 to 4 000 word essay that provides a full history of the site and its condition today An annotated further reading list of books and articles about the site completes each entry The geographically organized volumes include Volume 1 The Americas 1 884964 00 1 Volume 2 Northern Europe 1 884964 01 X Volume 3 Southern Europe 1 884964 02 8 Volume 4 Middle East Africa 1
