husband's health begins to fail left to rule over a city teeming with Stralg's troops And if you think Stralg is bad wait until you meet his sister Saltaja a fanatic who sees no human cost as too great to keep the Hrag dynasty in power and her goddess evil Xaran the Mother of Lies appeased But there are a few great hopes for the future of the city the Mutineer Marno Cavotti who will not stand to see his hometown destroyed and is massing a powerful liberation movement mere inches beyond Stralg's grasp And the four heirs of Celebre each with god-given expertise in their respective fields of artistry combat wisdom or death are wending their way back over the Edge to their birthplace Of course even as Marno and the Celebre children are working towards the common goal of defeating the Hrag's they're all painfully aware that once that hurdle is crossed only one of them can wind up on the throne At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
